Nineteen years ago, May seventeenth, nineteen hundred and nine the WINNETKA STATE BANK was opened for business, and at the end of the first year its resources totaled over \$95,000.00. And on our nineteenth birthday our resources totaled over \$1,600,000.00 . . . showing a most wholesome and consistant growth.

The WINNETKA STATE BANK has at all times favored a building for a better and larger Winnetka, and has fostered these ideals by furnishing funds and capital.

The WINNETKA STATE BANK extends an invitation to newcomers to do their banking in Winnetka, and at this bank, the oldest organized bank in Winnetka. And to the residents who have as yet made no local banking connections, we respectfully offer our services.
