

### Winnetka Nine Trims Glencoe; Waukegan Next

With a victory chalked up to their credit in the season opener against Glencoe last week on a score of 6 to 5, the Winnetka nine will journey to Waukegan this Sunday to match skill with the Knights of Labor of that city. The game will be played at the

American Steel and Wire Co.'s field at Sheridan and Tenth streets. A return game has been scheduled in Winnetka on June 10.

The game promises to be a good one as the Waukegan nine has been consistent in winning during the past few years. In the 1923, '24, '25, and '27 seasons they were the easy winners of the Waukegan city championship and during the past two years also added the north shore championship to their many laurels.

Local fans who desire to accompany the Winnetka nine to Waukegan tomorrow are asked to be at the Elm street station of the North Shore line at 12 o'clock.

As the score indicates, the game with Glencoe was a close and hard fought one. Hoppe, Glencoe pitcher, proved easy "to find" and the local batters tapped off a three point lead at the start of the game. Hoppe was then replaced by Lowe and the game settled down to a bitter struggle for supremacy. The local team maintained a single point lead throughout the remainder of the game, however, and opened their season with a clean slate.

Panosh, Winnetka twirler, played an outstanding game, only in one instance allowing himself to become careless. In the beginning of the second inning, with Winnetka leading by three points, Panosh started to rest and Glencoe batters promptly cut down the lead by two points. Panosh closed down on them, allowing only seven hits and two walks during the rest of the game. He struck out thirteen Glencoe men. Stellar field and infield work was noticeable on both sides.
