

### Marbles' Champion to Defend Crown at Meet Tomorrow

Among the entrants for the Playground and Recreation board's Marble tournament to be held tomorrow morning at 9 o'clock at the Stolp school grounds is Roger Palenske, winner of last year's senior tournament.

After winning out in the village tournament, young Palenske was entered in the North Shore divisional meet, won third place there and finally placed third in the state meet held at Soldier's field, Chicago.

Two divisions will compete in tomorrow's meet, the Junior and Senior classes. The Junior classes will include all contestants below the sixth grade and the Senior class includes pupils in the sixth, seventh and eighth grades.

Competition will begin at 9 o'clock under the direction of Glen W. Gathercoal of the Recreation staff. The Junior class division will contest first. Prominent among the entrants in this class is Harold Borre of Logan school, who won first place in last year's tournament.

Both the "big ring" and "fat" games will be used, the choice of the game to be played lying with the contestant.
