

U. of C. to Be Scene of Great Prep Track Events

The country's biggest track meet, the twenty-fourth annual national track interscholastic at the University of Chicago, will be open to the public free of charge again this year. More than a thousand of the nation's star prep athletes will compete in the high school and academy sections. The meet will be held June 1 and 2 at Stagg Field.

General Douglas McArthur, president of the Olympic committee, has designated the Stagg interscholastic as

an Olympic tryout. Winning performances in the meet are equal to most of the marks of intercollegiate competition, and in past years the winning achievements have been of Olympic standard. Lee Barnes, now of Southern California, went to the 1924 Olympic meet after winning the Stagg Interscholastic. Practically all of the college stars have won their first national recognition in the Stagg meet.

Mrs. Frederick H. Scott, 175 Sheridan road, has returned after spending a few days with her son-in-law and daughter, Mr. and Mrs. F. Langdon Hubbard of Detroit.
