The Homestead  Evanston~Illinois

the Homestead guest

The HOMESTEAD TEA ROOM

Those now in attendance at the convention of Professional and Business Women's clubs are especially invited to make a visit to The Homestead one of the enjoyable experiences of their visit to Evanston.

A quaint little table for two or four. For a background the richly colorful tapestry of colonial panorama... over there a cavernous fireplace of Holland brick... budding branches outlined beyond many-paned windows... overhead, rough-hewn beams and shining ship's lanterns.

Sharing the friendliness of this hospitable room is a pleasure heightened by a nicety of service appointments that permits of no deviation from the excellence which these surroundings imply.

You may choose a Homestead apartment of two, three or four rooms, with kitchenette & breakfast room. Or a single room with bath. Every apartment is completely furnished. The Homestead--a way of living!

Make Great Strides in Construction on Club Vista del Lago

Unit "B" of Club Vista del Lago is well on the way to completion by June 1, after five weeks of construction work—the contractors being seven days ahead of schedule.

The beautiful Spanish ballroom and galeria, innovations for the north shore, are taking form as realities.

Under the direction of Mrs. Howard Linn of Au Paradis, Inc., luxurious and unusual appointments are being selected for the decoration and furnishing of the new unit.

The true Spanish tyle will prevail throughout, even to the glassware and china, which are ready for delivery June first.

With the advent of warm weather, members of Vista del Lago are eagerly anticipating the June opening, for its presents most attractive facilities for summer pleasures and lake sports.
