GRIEG MALE CHORUS SINGS HERE WEDNESDAY

Famous Musical Group to Present Benefit Concert for Scandinavian Church Fund

The Grieg Male chorus, which recently appeared in its twelfth annual concert at the Logan Square Masonic temple, will appear in a concert to be given in the Jane Kuppenheimer Memorial hall, Skokie school, Wednesday evening, May 23, at 8:15 o'clock.

Sverre Larsen, distinguished tenor soloist, will sing with the chorus and also render several solo numbers.

Miss Esther Arneson, pianist, whose recent recital at the Fine Arts hall brought forth such a unanimous favorable response from the music critics of the Chicago dailies, will also appear on the program, both as accompanist and soloist. Miss Arneson is an instructor in the Austin Conservatory.

Peter Olson, Conductor

The chorus was organized twelve years ago by a group of men, of Norwegian descent, and named after the famous Norwegian composer, Edvard Grieg. It has continued ever since under the leadership of its capable conductor, Peter Olson.

The chorus has been held together not only because of the desire on the part of the members to study chorus music, but because of their desire to spread cheer by giving programs for the entertainment of those confined in hospitals, infirmaries, old people's homes, children's homes, etc.

Swell Church Fund

The program Wednesday evening is being sponsored by the First Scandinavian Evangelical church of Winnetka for the purpose of raising funds whereby it may be possible to make repairs and alterations to the church, to both improve its appearance and increase its facilities for serving the community in the most efficient manner. The Sunday school has long ago outgrown the present church building, so that its further expansion will be impossible until room is provided. The church, realizing this situation, has now elected a Building committee, and plans are being made to transform the present church building into an up-to-date church edifice.

North shore residents attending the concert will thus not only enjoy a music treat of the highest order, but will have the assurance that they are contributing to the support of one of their own institutions, and especially making an investment in the youth of the community.

Indian Hill Association Calls to Urgent Meeting

An important meeting of the Indian Hill Improvement association has been called for Monday evening, May 28, at which time it is expected the by-laws of the association will be altered to provide for the nomination and election of twelve trustees who, in turn, will choose the officers of the organization for the coming year. Every member of the association has been urgently requested to attend this important session. More detailed information concerning the meeting will be found in next week's issue of WINNETKA TALK.

GARDEN MART MAY 26

Winnetka Garden Club Makes Elaborate Preparations for Annual Event to be held on Village Green

The members of the Winnetka Garden club are engaged these days in planning the many features of the annual May Garden Market which will be held Saturday, May 26, on the Village Green. The market is sponsored by the Garden club but in reality is a civic as well as social affair, for all proceeds are expended by the club for beautifying some public spot in Winnetka. This past year a great deal has been done in beautifying the grounds of the public library.

The Garden club is making special effort this year to entertain the children. There will be ponies for them to ride, a tin-type man and the usual balloons, etc. A luncheon is to be served this year.

Committees for the Market are announced as follows:

Pottery, glassware, etc.—Mrs. Ezra Taylor.

Hardware and garden equipment—Mrs. Richard Walsh.

Entertainment—Mrs. James Pole, Mrs. Alvin Bastien, Mrs. Warren Shoemaker.

Luncheon—Mrs. Marcus Richards. Professional florists' exhibits—Mrs. Harry Barnum.

"Meaning of Ascension," Christ Church Sermon

The topic of the sermon to be given by the Rev. R. Malcolm Ward, assistant rector, at the 11 o'clock service in Christ church this Sunday morning will be "The Meaning of the Ascension."

There will be a corporate Communion for the Young People's Fellowship of Christ church at the 7:30 o'clock service in the chapel Sunday morning, followed by breakfast in the Parish House at 8:15. There will be no evening meeting.

HEARING ON REZONING

Monday, May 21, at 8 P. M., in the Council chamber of the Village hall, the Commission on Zoning will hold a public hearing to consider the possible rezoning of Lot 16 of McGuire and Orr's Arbor Vitae subdivision from "A" Residence to "C" Commercial. This lot is located at the northwest corner of Arbor Vitae road and Elm street. It is owned by Ayres Boal, who is petitioning for the rezoning.

The commission on zoning requests that all interested in this proposed addition to the business area be on hand to give the commission the benefit of their views.

Winnetka Playfield Association Elects Officers Tuesday

Winnetka Playfield association, membership in which is open to every resident of the community upon payment of a modest fee used to insure proper maintenance of the golf course and other features at this wonderful municipal recreation center, will hold an important meeting at Community House Tuesday evening, May 22, at which officers for the ensuing season will be elected and important matters concerning the association opened for discussion.

Next Tuesday's session has been called by Gardner W. Howe, secretary of the association who was chairman at a preliminary meeting of the association at which a Nominating committee, authorized to select a slate of candidates, was appointed. This committee, which will submit its report next Tuesday, is comprised of William S. Nordburg, chairman; James G. Ross, and John Belmont.

Too much emphasis cannot be attached to next Tuesday's meeting, according to Secretary Howe, since it will provide the opportunity for a frank discussion of the problems and needs of the Playfield, and plans for its future development.

Prof. C. S. Braden Will Speak Before Men's Class

Sunday morning, May 20, Prof. Charles S. Braden of Northwestern university will address the Men's class of the Winnetka Congregational church on the "Historical Development of Christianity." This subject is considered by many as of more than usual importance at this time because of the rapidly changing character of much of the religious thought among both Christian and non-Christian peoples.

The class will meet at 9:45 o'clock in the American Legion room at Community House. It cordially invites all men who may care to come.

WINNETKA SECOND IN VOTERS' FLAG AWARD

Village Nosed Out by Kenilworth Which Takes Walton League Trophy Second Time

Wednesday morning, May 16, at 8:30 in the Assembly room of the New Trier Township High school, the American flag, which is presented by the Izaak Walton league of Winnetka after each election in New Trier township to that village which polls the largest vote in proportion to the total number of registered voters in the village, was presented by Carl Zeiss to Kenilworth in whose behalf it was received by Mrs. M. W. Cresap, president of the Kenilworth League of Women Voters.

The percentages for the April Primary were as follows:

Kenilworth,	83%;
Winnetka,	81%;
Wilmette,	70%;
Glencoe,	64%.

The percentages were based on the County Clerk's record of the actual number who voted and his record of the voters registered.

Win Flag Second Time

This is the second time that Kenilworth has won the flag, the previous time being at the primary election in 1926.

Winnetka won it in the general election in 1926.

When the flag is won three times by one of the New Trier Township village it becomes the permanent property of that village.

It is interesting to note the improvement in the vote during the time the flag has been the subject of contest:

Primary April '26	Gen. Election '28
Kenilworth, 47%	Winnetka, 62.3%
Winnetka, 44%	Kenilworth, 62.1%
Glencoe, 39.4%	Wilmette, 52%
Wilmette, 38.7%	Glencoe, 46%

Incentive to Youth

The presentation of the flag is made in the Assembly room of the New Trier Township High school for two reasons, one being that it is the outstanding institution of the township, representing all of the four villages and also because the audience is made up principally of young people who are approaching the age at which they can vote and judging from the interest displayed on Wednesday morning they are going to take up the friendly interest in this contest when they have arrived at an age to be able to do so.

Contracts Awarded for Four Improvement Jobs

Bids were received and contracts awarded for four pieces of work by the Village Board of Local Improvements Tuesday evening. They include the paving of Locust road, from Pine street to Westmoor road with an 18-foot bituminous macadam pavement, awarded to the Rock Road Construction Co., of Chicago, for \$7,031; the installation of water mains in Ridge road from Winnetka avenue to Meadow road, a distance of a block, to James Vitti & Son, for \$1,362, which firm also received the other two contracts, that for water mains and sanitary sewer in the Country Day subdivision, the former at a cost of \$927 and the latter, \$801.
