Haessler Dancers to Give "Sleeping Beauty" May 26

Children and grownups who saw the dance pantomime of Cinderella at Ravinia Park last summer will be interested to know that "The Sleeping Beauty" has been worked up by the same dancers under the direction of Mildred Haessler to be given at the Ravinia Village House Saturday, May 26, at 7:45 o'clock. A children's matinee will be given the preceding Friday at 4 o'clock. Both performances are for the benefit of the furnishings fund of the new Ravinia auditorium, in which they are to be given.

Just as in the Ravinia Park production, all the fairy glamor has been preserved while the interpretation of the action in the dance heightens the romantic effects. The costumes and sets are designed by Mrs. James Cady Ewell of the North Shore Art league. Several of the Haessler dancers appeared in numbers in Winnetka last fall before the North Shore Art league.

Mrs. Eza R. Martin, who lives with her son, Albert B. Martin, at 997 Vine street, left Wednesday for a visit of several weeks in Galesburg, Ill.

It was a most thorough and comprehensive work, on which President H. F. Tenney and other members of the council took occasion to express highly complimentary appreciation.

The report, in its complete form will be printed in WINNETKA TALK, the first installment of which appears on another page this week.

Village Manager Woolhiser also transmitted to the Council, annual reports of the Fire department, Health department and Street department, which also will be published in subsequent issues of WINNETKA TALK.

Following adjournment, the Council met as a committee of the whole, to consider details of the corporate budget for 1928-29.

REMODEL OLD HOME

The old Klotz residence at Humbolt and Prospect, purchased some time ago by Dr. Ralph C. Brown, of Evanston, has been completely remodeled by Contractor L. G. Vincent, according to plans by Architect C. H. Walcott, both of Winnetka. The house is of the old frame colonial type, comprising twelve rooms, four bathrooms and three fire places, and is located on a large tract of heavily wooded ground.

Miss Florence Taylor and Miss Jane Gillespie are entertaining at a luncheon and bridge today at 1 o'clock at the home of Miss Taylor, 508 Cherry street.
