

C. of C. Out to Build 100 Pct. Membership in Business Ranks

Building the membership of the Winnetka Chamber of Commerce up to include one hundred percent of the business men of the village is one of the plans of the Chamber for this year, according to President W. T. Wersted, who spoke at the annual dinner Monday evening.

The affair was for the members, their families and employes. It was held at Community House. One hundred seventy-five attended.

The Chamber and their guests were entertained during the dinner by the Saxon Sisters, "The Two Baby Dolls," with harmony singing and dancing.

Thomas J. Lynch, retiring president, introduced each of the retiring members of the board of directors and also the members of the new board, following which the recently installed president, William T. Wersted, made a brief address, outlining the plans of the Chamber for the year.

Dancing followed the dinner, Joe Schneider's orchestra furnishing the music. A number played bridge.

The bridesmaids were Miss Helen Lange of Waukegan, who wore a green organdie, and Miss Bernice Pearl of Highland Park, who wore a yellow organdie. After the services a reception for seventy relatives followed in the church rooms. The couple motored in Wisconsin for a few days following the wedding and, until they take up their residence in Highland Park, are residing with Mr. Fossum's relatives, the O. H.
