

Lee Says:

NO longer do you have TO chase Willie all OVER the house to MAKE him take castor OIL—it's no longer NECESSARY to coax him, OR scold him into the idea OF taking a dose of THIS old standard REMEDY because we now CALL it Squibb's AND little Willie takes to IT as kindly as he DOES to an ice cream SODA!

IT'S still castor oil, ALL right, with all ITS value, but the TASTE that used to gag AND nauseate is now PLEASANTLY flavored WITH fruit juices THAT make it popular WITH the little folks AS well as the grown-ups— WE have it in 25c and 50c BOTTLES.

Rotary Clubs to Debate Annexation Proposition

A friendly battle royal between the suburban and Chicago Rotary clubs for the Rotary Club of Chicago prize cup is in the cards for the regular weekly luncheon of the club Tuesday noon, May 29, at the Hotel Sherman, when the seven Greater Chicago Rotary Clubs will debate the question, "Resolved that Your Suburb should be Annexed to Chicago," the Rotary club of Chicago taking the affirmative and the suburbans clubs' representatives taking the negative.

The Wilmette and Winnetka Rotary clubs will turn out en masse to back their speakers, F. J. Budinger and C. W. Washburne, respectively, and each one will also stage a three-minute entertainment feature.

President John N. Vander Vries of the Chicago club will preside.

"A Home Bank For Winnetka People"

Going Away
This
Summer?

"Easy picking," a phrase in the jargon of the thieving gentry, describes the status of a home whose rightful occupants are gone away for the summer. We cite it to warn you that, before you go on a trip, leave no valuables of any kind... jewelry, important papers and so on... in the house.

Place them in a
Storage Vault or Deposit Box

...at this bank. Yes, and for that matter it's wisest, for your own "peace of mind," to keep them there the year around! Surely, such protection is worth the nominal fee we ask.

Deposit Boxes \$3 per year and up.
Reasonable Storage Rates
