Cleaning and Repairing

The fresh snowy white freshness of Washington Laundry-washed clothes

NO home washing methods or equipment can duplicate the inviting cleanliness of Washington Laundry-washed clothes. When you wash at home you cannot give your clothes the benefits of rain-soft water . . . the quick cleansing of them with a minimum amount of soap . . . the protection against hard water scum . . . and the elimination of vigorous rubbing. Regardless how elaborate your equipment might be, it cannot remove dirt as gently as our magnificent equipment does.
