

### North Shore Women Charter Members for New Golf Club

Many north shore women are interested in the fact that Chicago is to have a new golf club. Among the charter members for this venture are: Mrs. Charles Klotz, Indian Hill; Mrs. Grant Ridgway, Kenilworth; Mrs. Hathaway Watson, Winnetka, and Miss Earnestine Pearce of Hubbard Woods, who is acting secretary of the club which is to be called the Dundee Country club.

This is not merely another golf club but a unique one. It is to be a true country club for women in the beautiful Barrington district and will be, in character, similar to one in the east and one in England. Men will not be entirely barred but they are not to be members. Husbands are to have playing privileges for a certain yearly fee. The membership will be kept small and exclusive.

The quaint clubhouse which is to be made from the old farm buildings will have over-night accommodations. There will be a sporty golf course through hills and woods, tennis courts,

an out-door pool, and winding paths for equestrians.

The charter members of the club are to hold a luncheon on Tuesday, May 29, at the Woman's Athletic club, Chicago, at 12:30 o'clock. Permanent officers will be elected at this time.

#### PLAN CIRCUS AT RAVINIA

What's more fun than a carnival? A circus! So the Ravinia Opera club has decided that this year north shore children will have an opportunity to see a circus, or, if they wish, they may help make the circus themselves, Thursday, July 26, is the date that has been set.

The annual Fraternity sing at Northwestern was held last Monday evening on the meadows of the school campus before a large audience.

### Art League to Resume Watson Lecture Course

The newly elected board of the North Shore Art league held a meeting on Thursday, May 17, at the home of Mr. and Mrs. Albert Ullrich of Wilmette. General plans for next winter's work were discussed and in view of the success of the series of lectures given last fall by Dudley Crafts Watson under the sponsorship of the league and because of many requests for a repetition of them it was voted to have another such series this fall. The first lecture will be given by Mr. Watson on Monday, October 8. The subjects for the lectures will be decided at the next meeting by the members of the board which will be held on May 31, in the Campfire room at Community House.
