

Bar Association Favors Election of Judge Steffen

Considerable interest is evident on the north shore in the candidacy for re-election of Judge Walter P. Steffen of the Cook county Superior court who is one of the sitting judges endorsed by the Chicago Bar association. Judge Steffen is completing his first term as judge of the Superior court with a record that has met with universal approval.

Judge Steffen has been in public life for many years, his record of service including his activity as assistant federal attorney under Judge Wilkerson, and two terms as alderman of the old 23rd ward (now the 46th) on the north side of Chicago where he has lived all his life.

He perhaps is best known, outside his judicial position, as the famous coach of the Carnegie Tech football team which two years ago had the distinction of breaking Notre Dame's remarkable string of victories. His brilliant athletic career began at the old North Division High school (now Waler High school) where he gained renown as a football player. Later his fame spread throughout the country when he played with Walter Eckersall on that great University of Chicago team of two decades ago and eventually filled Eckie's shoes when that notable star was lost to the squad by graduation. There are many old time critics who regarded "Wallie" Steffen as superior to Eckersall in the matter of directing team play. He is now rated as among the outstanding football coaches of the country and will be a member of the faculty of the School for Coaches to be conducted at Northwestern university this summer.

Judge Steffen is one of the three sitting judges endorsed by the Chicago Bar association. In a Bar association primary on sitting judges held last November, he was the only candidate who received a majority vote of the entire resident membership. This primary was regarded as a severe test.

Kildeer Country Club in Season's Opener May 19

The official opening of the Kildeer Country club's season was observed last Saturday when the break in the rainy weather enabled the members of the club to dig out the old golfing tools and take a few shots. On Sunday when the bright sunshine appeared the course was populated. Kildeer, which is situated on the McHenry road near Wheeling, has a 36-hole course over rolling wooded land. Tennis and playground sports will be enjoyed at this club this summer, the work on the courts and playgrounds being rushed along for early completion.

CIRCLE TO CLOSE SEASON

The last meeting of the Walden Road circle will be held at the home of Mrs. Robert Price Monday, May 28, at 2 o'clock. The members will meet for bridge, and at 4 o'clock there will be music for those who do not care to play bridge. Tea will be served. Mrs. Ralph Buteau is the newly elected chairman.

Mrs. Sherman Goble, 511 Ash street, entertained the Executive Board of the Drama club at luncheon last Tuesday at the Medinah Country club.

Miss Elsie Thal is leaving this Sunday for a week's trip to New York. Miss Thal will combine business and pleasure while she is away.

George Cogswell Named Head of Tri-Ship Club

"My Family Enjoys Living in Deere Park"

"Every one in the family is so keenly enjoying all seasons of the year in this beauty spot. Summer, winter, spring or fall—it makes no difference, Deere Park is beautiful and Deere Park is their home.

"The family has learned to know one another so much better since we are in our own home, enjoying our own fireside.

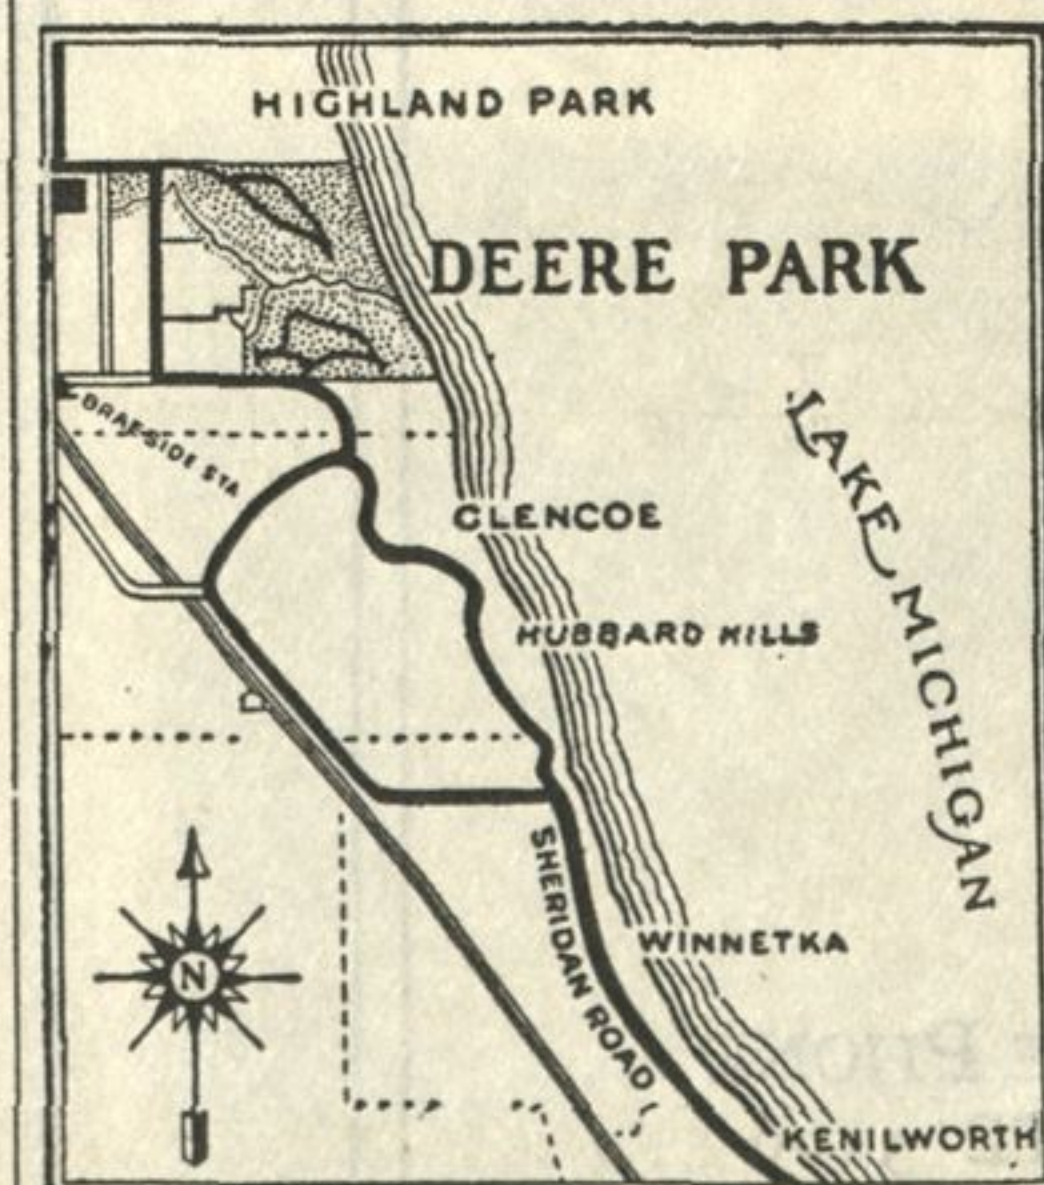

"The children are thriving in their play in this healthful, fresh air. My wife has learned to appreciate our motor car, for she can drive on uncongested roads now. And I am a better worker for the restful relaxation of the place, after a day at the office.

"Yes, my whole family enjoys living in Deere Park."
