## Our Boy Scouts

### Scoutleaders Junket

In the past years Scoutleaders and assistant Scoutleaders and troop committeemen from the various councils have made a trip to Owasippe, sometime during the summer months. This year they will conduct this trip over the week-end of June 1, 2 and 3, so that Scoutmasters, upon their return to town, will have ample time to bring to the attention of Scouts and parents the advantages of spending a period at Camp Checaugau.

There will be one day "chuck full" of camping and hiking experiences, as the leaders expect to present to those in attendance new ideas for troops, week-end camps and hikes. Those who are looking for new ideas in the way of troop hiking programs, are urged not to overlook this opportunity. There will be demonstrations in camping, camp-fire games, camp-fire program and outdoor Scouting games, etc.

They will leave Friday night at 11:45 P. M. (railroad time) on the Pere Marquette railroad, Grand Central station, Chicago, and return home Sunday evening, 9:50 P. M.

GLENCOE NEWS AND WILMETTE LIFE

## Advertising rates will advance June 1, 1928

New contracts for not more than six months will be accepted until June 1 at the present rates. If your contract is about to expire, it is to your advantage to renew at once under the current schedule.

While the circulation of WILMETTE LIFE, WINNETKA TALK and GLENCOE NEWS has shown a substantial increase, advertising rates in these publications have remained stationary for the past three years. During that period there has been a correspond-

ing upward trend in influence and in reader interest—the logical result of a newer and broader editorial and promotional scope. The adjusted advertising rates, which may be had upon application, represent an extremely small increase.
