One Year Ago This Month

It was one year ago this month, that, after deciding our *Old Quarters*, 1124 Central Ave., were too small for Chapel purposes and not suited to give the People of Wilmette the service they were entitled to, we moved into a *Larger and more modern* establishment, Our present Funeral Home, 1109 Central Ave.

This is one more progressive step in the development of an Undertaking service that we plan to make complete to the last essential.

A Funeral service with an ideal.

A Drink of PURE MILK

Cool, but not too cold, is the best thirst quencher you can give your children. Especially in the warm weather when you're not apt to eat so much but are constantly calling for a drink.

Let the children have a generous helping of WINNETKA SANITARY DAIRY's pure milk. Rich in cream and butter fat, it's not only a thirst quencher for the kiddies but an actual food. Wholesomely nourishing.
