--- and now, for your home—a

Gas Refrigerator

Never before has a gas appliance been such a sensation as the *Gas Refrigerator*. Everywhere it is being acclaimed as the perfect refrigerator. Why? Because it makes absolutely no noise—has no moving parts to wear out—does the job without the least bother for anyone in your home—and *has a low operating cost*. See one in operation at the gas office. You may own one. Just buy it on our easy Budget Plan.
