Indian Hill Improvement Group Elects Committee

The Indian Hill Improvement association, Monday evening, adopted new by-laws, elected an executive committee and went on record as heartily approving the measures taken by President Henry F. Tenney and the Village council to check the threatened epidemic of rabies among the canines of the village.

H. L. Raclin, member of the Village council, addressing the association, said if the present muzzling proclamation, recently issued by President Tenney did not prove effective, more drastic measures will be taken.

He also informed the association that traffic lights are to be erected on Sheridan road at Elder lane, the same to be operated up to 9 o'clock at night.

Members of the executive committee elected to serve one year are, Arlan W. Converse, Edward A. Anderson, Tuthill Ketcham, A. E. Bryson; for two years, Felix Lowy, William A. Snyder, Ralph Kraetsch, Dudley K. French; three years, William S. Nordberg, Lee Walker, H. L. Raclin, R. J. Darby.

Mrs. Bertha D. Rossiter, of Pomona, California, who is visiting at the home of her brother, Coram Davis, and who attended the meeting, sang a number of selections.

TO SPEND SUMMER ABROAD

Mrs. Frank Blatchford, 32 Indian Hill road, and her two sons will leave Winnetka on June 11, and sail four days later to spend the summer in England and on the continent. Mrs. Blatchford's daughter, Mrs. Ludlow Sebring Fowler of New York, will also be traveling in Europe and the two parties will meet. Mr. Blatchford is hoping to be able to join his family later in the summer.
