

## MAKE ANNUAL AWARDS TO SKOKIE STUDENTS

### Henry Stanton Receives Donald Anderson Memorial Medal for All Round Activity

Henry Stanton, son of Mr. and Mrs. Henry T. Stanton, of 698 Blackthorn road, Winnetka, was awarded the Donald Anderson memorial medal for service to his school at the final emblem assembly of the year at the Skokie school yesterday afternoon at 3 o'clock. Henry was chosen by his classmates as the one most worthy of the medal.

The Donald Anderson memorial medal fund was established by the pupils, alumni, faculty and friends of the Skokie school in tribute to the spirit of unselfish service, the fine character and true sportsmanship of Donald Anderson. Each year the medal is awarded to the member of the graduating class who in his or her school life has most nearly represented these ideals.

#### Win Service Pins

Eight members of the Skokie graduating class received service pins. These eight students were also chosen by their classmates because of their unselfish service to the school, to schoolmates, and to those whom they met in daily life. Those who received the service pin awards were Severt Andrewson, Helen Fulton, Bill Kidd, Page Mergentheim, Pennock Mercer, Paul Nellerstrom, Jack Odell, and Frank Seyl.

### Otto R. Barnett Heads N. S. MacDowell Society

A very interesting meeting of the North Shore MacDowell society was held Tuesday evening, June 5, at the home of Mr. and Mrs. Sidney F. Bartlett, 711 Sheridan road, Winnetka. The earlier part of the evening was given over to the annual business meeting. The new officers elected were: president, Otto R. Barnett of Glencoe; first vice-president, Mrs. Frank W. Peyraud of Highland Park; second vice-president, Dr. Davies Lazear of Winnetka; recording secretary, William R. Shuster of Ravinia; corresponding secretary, Mrs. W. S. Brown of Winnetka; treasurer, George J. Pope of Glencoe. Following the installation of the new president, Mrs. Laird Bell gave a reading from Eugene O'Neill's "Marco Millions."

The MacDowell societies, of which there are many throughout the country, are organized primarily to assist in the support of the Peterborough colony in New Hampshire. This colony is maintained in commemoration of Edward MacDowell—probably America's foremost composer—and to provide ideal working quarters and environments for artists in all fields who are doing outstanding creative work.
