**Fireworks Prohibited in
Winnetka, Says Tenney**

In accordance with an ordinance recently passed by the Village council, the sale and use of all forms of fireworks within the limits of Winnetka is absolutely prohibited. The Police department has been instructed to rigidly enforce the provisions of this ordinance, particularly with reference to the public sale of fireworks in the village and the use of all forms of fireworks, including sparklers on the public streets, parks, and other public places.

In view of the fact that the use of fireworks, even under the most favorable conditions, seriously jeopardizes human life, and has resulted in the death of at least one child in the Village of Winnetka within recent years, it is to be hoped that all citizens will cheerfully co-operate in observing the law of the state of Illinois and of this Village.

June 9, 1928:

Henry F. Tenney, Pres.
Village of Winnetka.
