Beater and Bowl
79c

A bowl with a tight cover which fits down around the beater so not a drop of your cream splashes out. The beater whips rapidly and is most easy to operate. Bowl is heavy earthenware.

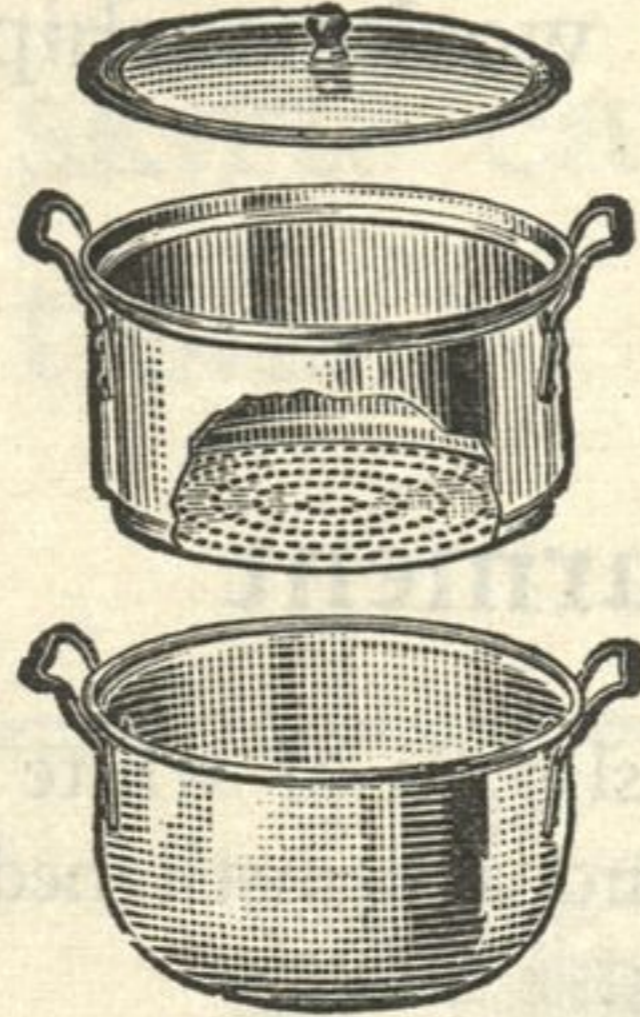

Vegetable Cabinet
\$1.75

A cabinet in which there is one large compartment for potatoes and three smaller sections for other vegetables. It is of color-enamelled sheet metal—built high and narrow so it fits conveniently into a small space. Many perforations allow for plenty of air.

\$2.95 Wheeling Oven \$2.69

A "top-stove" oven which may be tucked under the stove when not in use. Particularly useful this time of year, when you don't want to heat up the whole kitchen. Bakes faster! A single deflector plate distributes the heat evenly to all parts of the oven.

Aluminum Steamer
\$1.29

In these days of many experiments in food and cooking processes, scientists have declared that steaming is one of the best nutrition-conserving methods of cooking. This 4-quart aluminum steamer will conserve all the vitamins in your spinach and other vegetables.

39c & 69c 59c & \$1.15

Johnson's Wax

— for Furniture

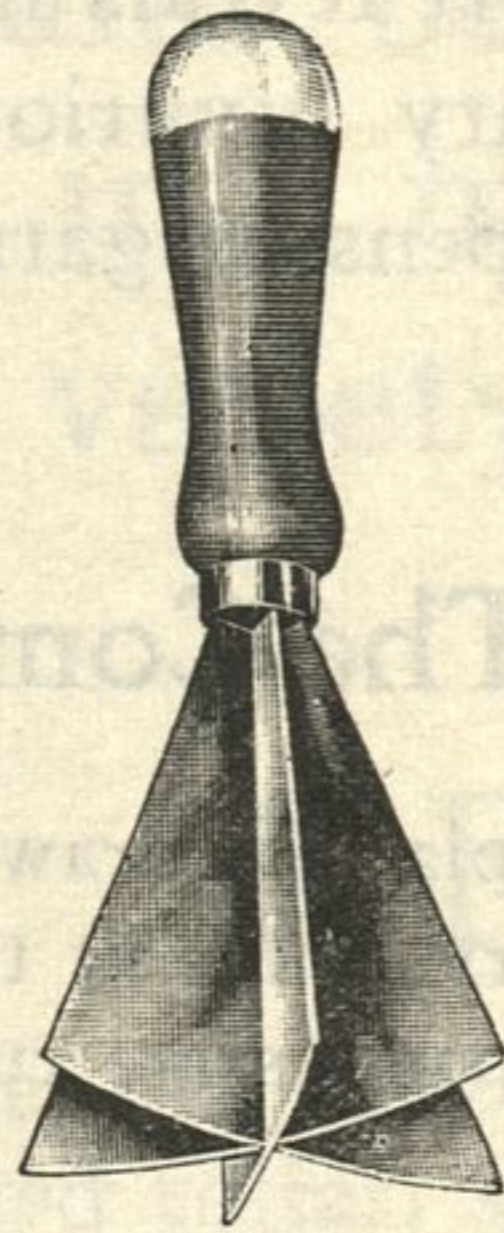

In one quick, easy operation Johnson's Liquid Wax removes all dirt and gives a gleaming polish to your furniture. Finger prints do not show—nor dust collect on its dry, greaseless surface.

— for Floors

This wax can as easily and successfully be used on your linoleum as on your hard wood floors. Just apply it and bring to a polish with a few strokes of a weighted brush or a Johnson Electric Floor Polisher (\$29.50).

— for Automobiles

It is hard, dry and greaseless so does not hold dust. Protects lacquer-finished automobiles against wear and weather.

30c Mincing Knife
25c

Chopping knife with four sharp blades and colored handles. Cuts meat or vegetables in clean, fine bits. Good for making piccalilli, chopped nuts, desserts and other things.

Slip-on O-Cedar Mop 89c

A new-style O-Cedar mop which slips on and off its frame when cleaned or renewed. Its frame is interchangeable, detachable and reversible. Just slip mop off, give it a vigorous brushing with a whisk broom and replace on its frame. May be used as dust or polish mop.

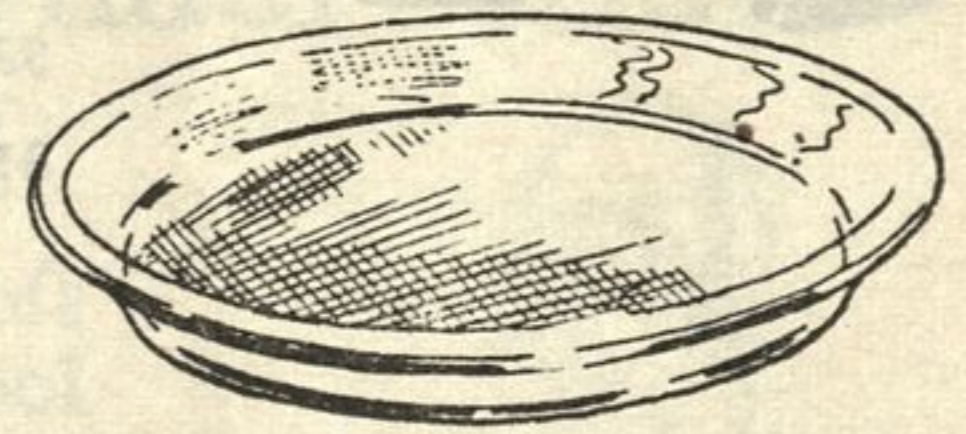

65c Clothesline
59c

100-foot sash cord clothes line. A special value this week.

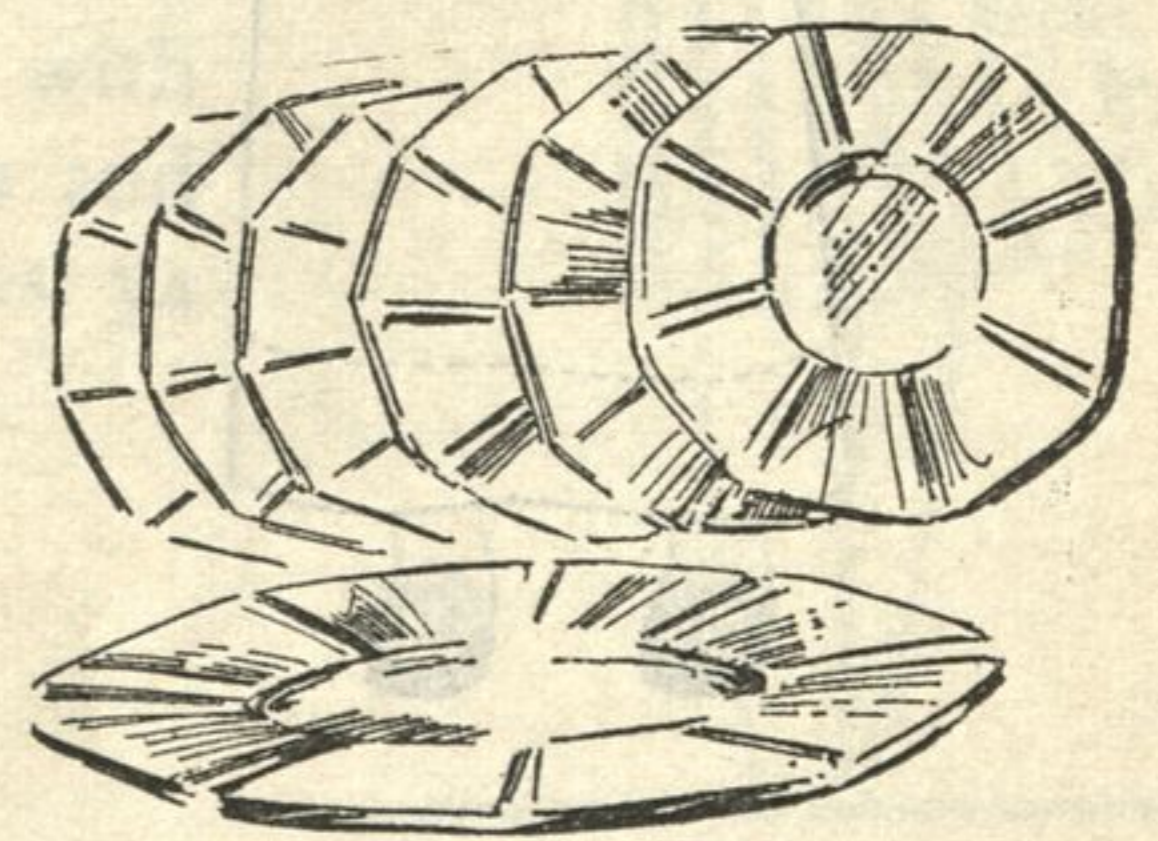

85c 5-Cup Tea Pot
69c

This five-cup teapot is lustrous brown earthenware with wide bands of color around the base of its cover. Makes a good teapot for your summer cottage. Bands of pinky tan, blue and green.

90c Pyrex Pie Plate
59c

Pie plates of the famous Pyrex, heat-proof glass often find many more uses than their one particular one. As a sandwich plate at picnics, a dish for fruit in the ice-box, or as a fudge pan. And it won't crack a bit under the flame when you brown your lemon pie meringue.

Glass Salad Set
\$3.70

An attractive salad set is this which may be had in rose or green glass. Six small plates and one large salad plate—all octagonal. Lovely for porch table use.

\$3.95 8-inch glass plates, rose and green—\$2.59 dozen.

\$8.95 green and crystal plates with daisy design—\$6.75 dozen.
