

## New Trier Track Stars Lose Meet to Evanstonians

New Trier's senior trackmen lost to Evanston in the final meet of the season, at Beardsley field last Friday, by a score of 46 to 76. The meet was a closer one than the score would indicate. The first places were evenly divided, each team winning seven; but the well-balanced Evanston team ran up its big lead by getting most of the seconds and thirds.

It was one of the best high school meets of the year. Conditions were perfect and Evanston meet records were broken in the half mile, quarter mile, discus throw and 12 pound shot put. The records in the relay and several other events were nearly equaled.

### Dixon High Pointer

Dixon of Evanston, who was on the winning relay team and won both hurdle races, was high point man with 11-1/4 points. Kershaw, who won the javeline throw and pole vault for New Trier, and Simmons, record breaker in the shot put and discus throw, each copped 10 points.

The quarter mile was an exciting duel between Simpson of Evanston and Marty Cassell, whose performances prior to Friday were about equal. Cassell had beaten Simpson twice but the Evanston runner placed in the state meet and his rival didn't. Simpson and his teammate De Gette started in the lead but Marty elbowed past them on the first curve and kept ahead until he hit the tape in the record time of 51 and 4/10 seconds.

In the half mile Sanderson and Little made up for their teammates' defeat in the one lap race by keeping Ted Burgess from the pole for most of the race which resulted in his being beaten by Sanderson although he finished before the broken tape hit the ground. The time, 2 minutes 3 and 3/10 seconds, was the fastest ever made on the Evanston track.

### Crashes Records

Simmons, Evanston's star weight man, was responsible for breaking two records. He put the 12 pound shot 45 feet 10 inches and hurled the discus 124 feet 9 inches. Hall, who won second place in the discus throw, was the only New Trier man to place in either of these events.

Another outstanding performance was the way Homer Hilton won the mile from Hanawalt, the Evanston miler. He ran his race in very fast time and spoiled Hanawalt's chances of even keeping up with him by a fast sprint at the finish. Steve Windes who led the field at the beginning took third place for New Trier.

Hoffman started the relay for New Trier and kept the Gray and Green ahead for the first 200 yards but Dixon took the lead as he passed the baton to the second Evanstonian and Evanston kept the lead to the tape. The time for the fast two laps was 1 minute and 33 seconds.

## Elect Josephine Farley to Head Athletic Group

Josephine Farley was elected president of the Girls' Athletic association of New Trier High school at the annual beach party and initiation held last Friday. She succeeds Georgia Leffingwell, who was also president of the senior class at New Trier this year and who was chosen by the Girls' Athletic association as the best girl athlete in the class.

Other new officers elected by the association were Gloria Harrington who succeeds Margaret Gordon as vice-president, Sally Krieble who succeeds Jean Forrest as secretary, and Katherine Taft who succeeds Florence Taylor as treasurer.

## HAVE PROGRESSIVE DINNER

Twenty-four girls from Miss Flentye's adviser room at New Trier held a progressive dinner party last Tuesday night. Dorothy Gough of Wilmette was hostess for the first course, Lenore Rennert, also of Wilmette, for the second, Betty Burns, Wilmette, gave the third and the girls went for the last course to the home of June Heyda in Hubbard Woods. The group was later entertained by Jean Gerber at the Glencoe Municipal Golf course.

Congressman and Mrs. Henry Riggs Rathbone have returned to their home in Kenilworth after a winter in Washington. Mrs. Rathbone has spent part of the winter in the south.
