Norshore Shows

"Morning Judge"

Beginning Sunday

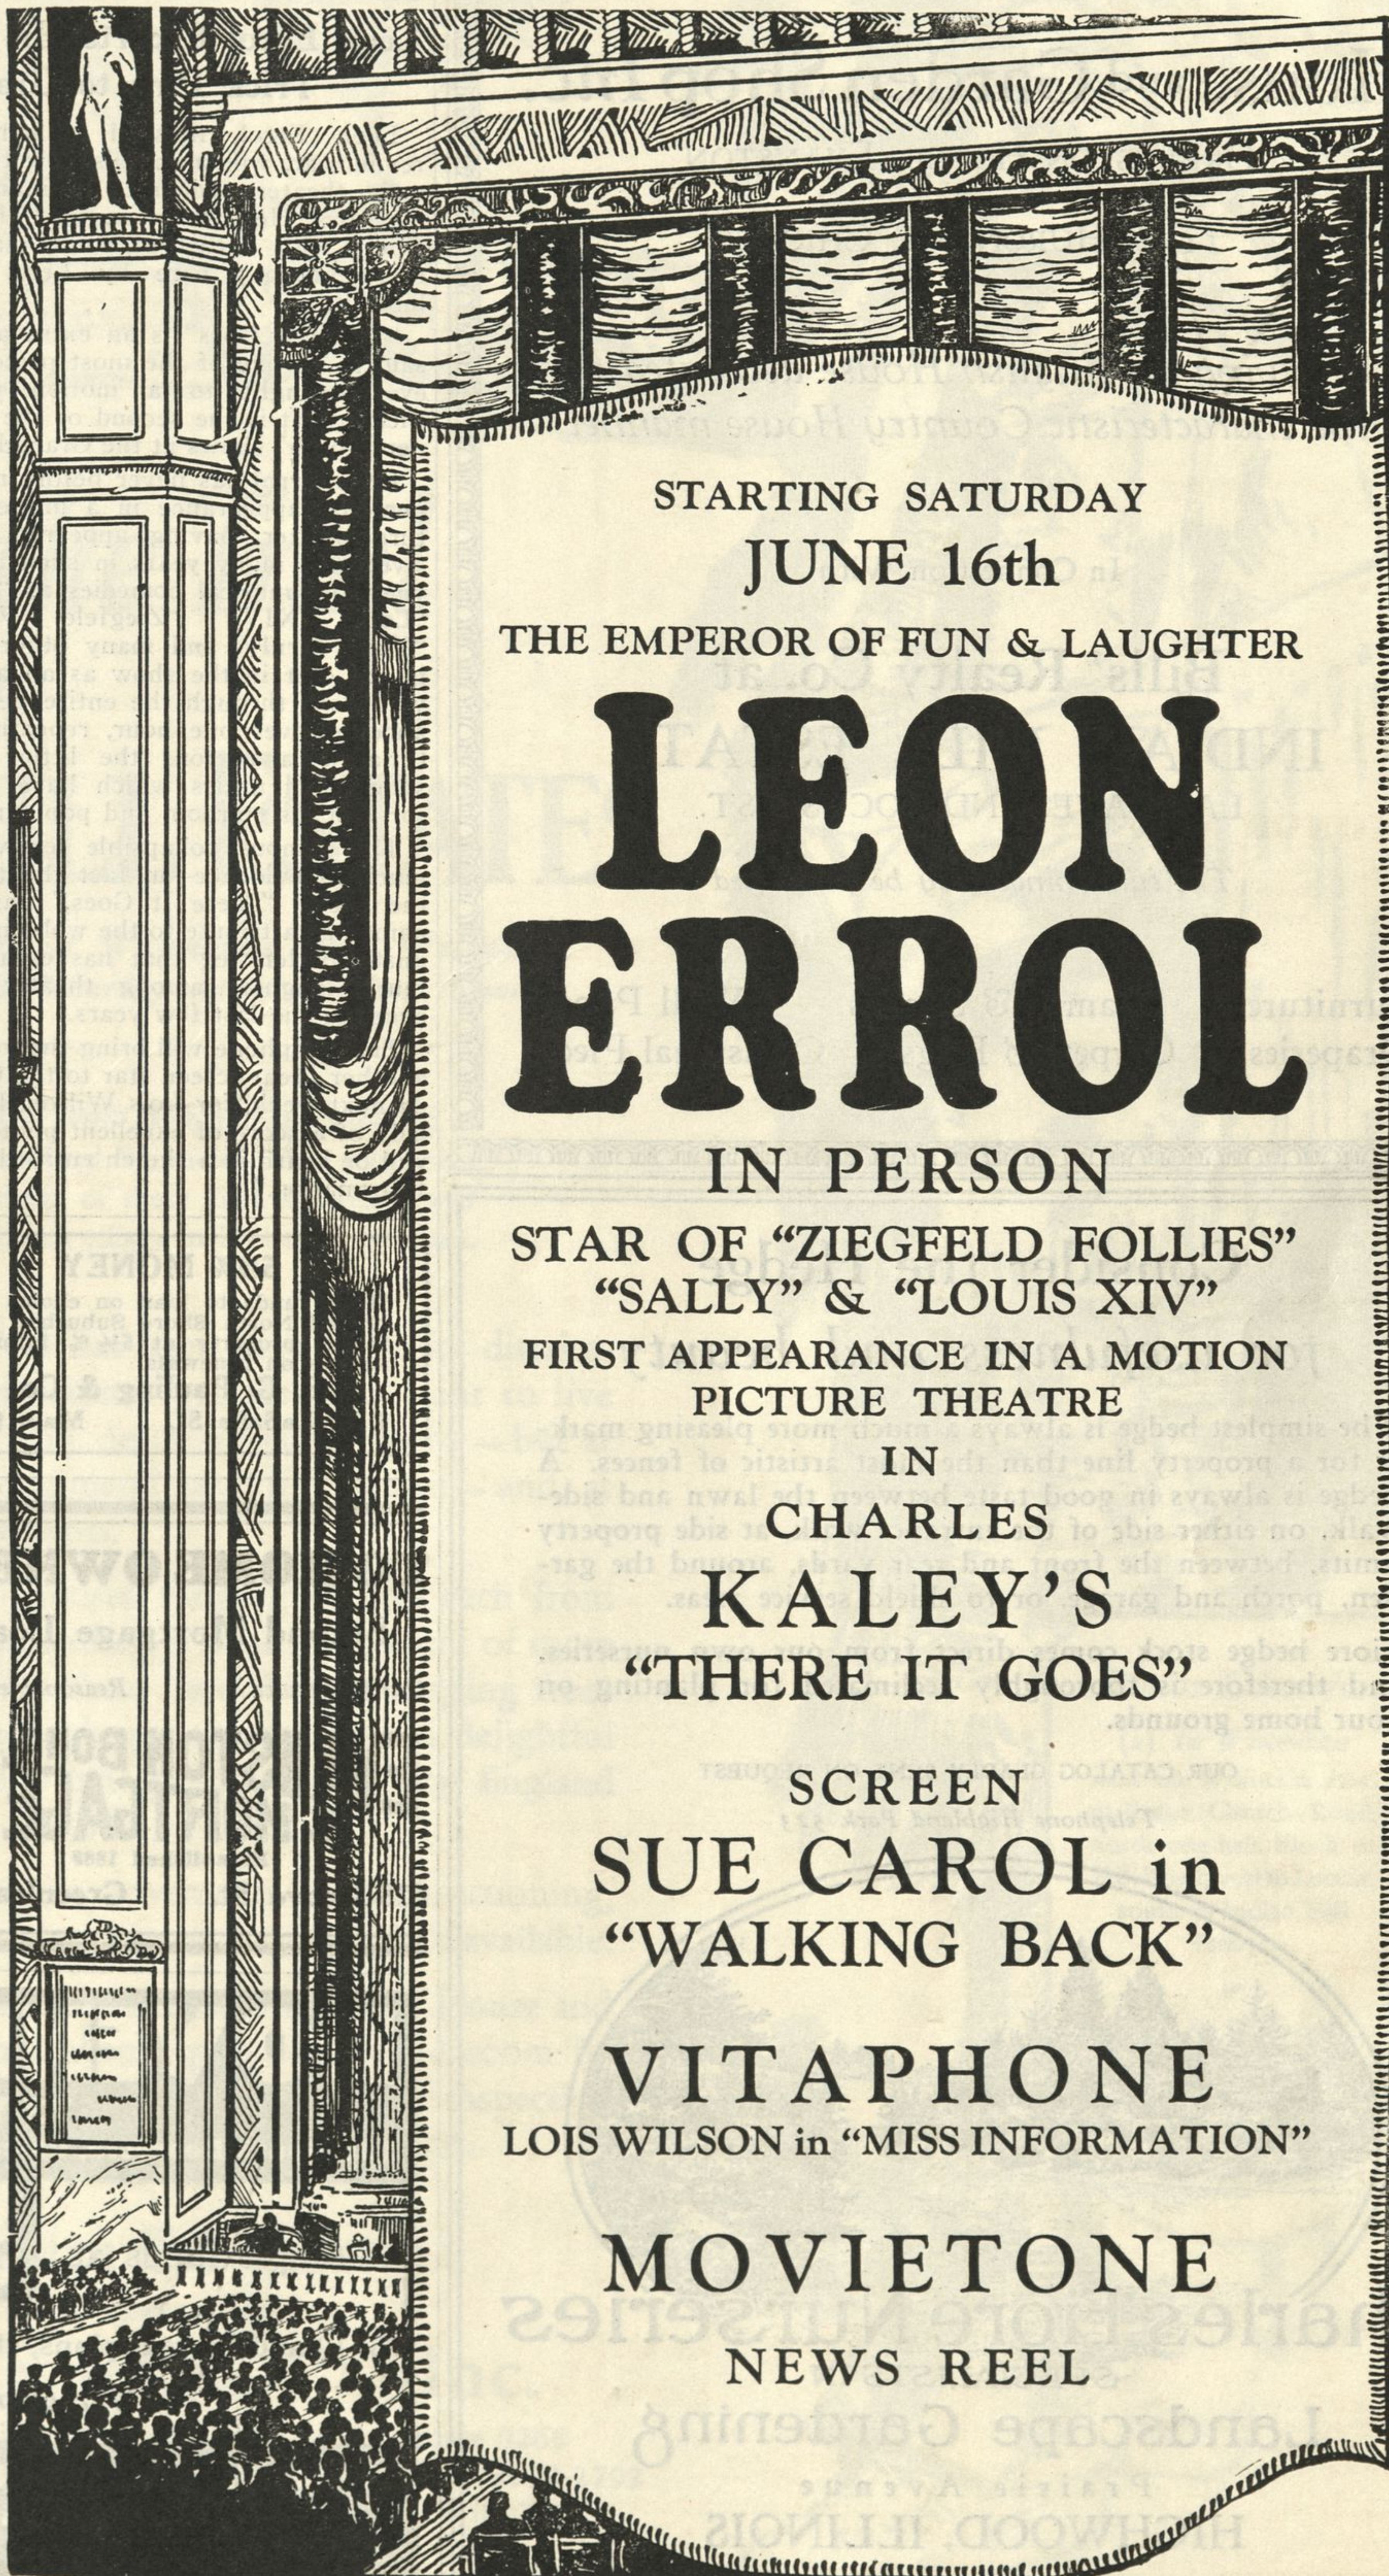

"Good Morning, Judge," which comes to the Norshore theatre Sunday, will be a decided treat for movie-goers. It is a Reginald Denny feature and is his best so far.

It tops "Skinner's Dress Suit," "On Your Toes," and others of the Universal star's popular comedy hits. The handsome Denny is seen at his best and he romps through the scenes scattering laughs and sparkling humor on every side.

The climax, which is a fight between Denny and two crooks, makes up for any lack of tense situations in the early part of the picture. It is as thrilling as the remembered boxing bout in "On Your Toes," which aroused so much praise from picture-goers.

In "Good Morning, Judge," Denny suffers the fate of an innocent bystander at a "free-for-all" among the spectators at a prize fight. Although he has more money than he knows what to do with, he cannot pay his fine when brought before the judge the next morning for "disturbing the peace." His wallet has been stolen.

Beautiful and blonde Mary Nolan appears opposite Denny. Others in the cast are Dorothy Gulliver, Otis Harlan, William Davidson, William Worthington, Bull Montana, Sailor Sharkey and Charles Coleman. William A. Seiter directed the production.
