Hubbard Woods School Has Annual Field Day

Hubbard Woods school held its annual field day last Wednesday at the Skokie playfield. Children of the fourth, fifth, and sixth grades held a picnic at the playfield at noon, after which athletic contests were run off in front of the grandstand nearby.

Miss Margaret Carswell, physical education director at the Hubbard Woods school, was assisted by H. P. Clarke of the Skokie school in the handling of the field events.

Gold seal certificates with blue and white ribbon attached were awarded to eight students who had a perfect record throughout the spring season at Hubbard Woods in the running and standing broad jumps, basketball throw, chinning, and knee raising. Those who received the awards were: Natalie Waidner, Hamilton Daughaday, William Duncan, William Chichester, John Conrad, James Baumgartl, Donald Simpson, and Scotson Webbe.

The certificates are given on the basis of points made. Those who had a perfect record were entitled to one hundred points and the gold seal certificate with blue and white ribbon attached.

Eighty-eight children who had made from eighty to ninety-nine points during the season received gold seal certificates without the ribbon attached. Seventy-four children who made from sixty to seventy-nine points were given blue seal certificates, and twenty-six who made from forty to fifty-nine points were given red seal certificates.

At the field meet on Wednesday the fifty and one hundred yard dashes and the three-legged races were run off. There was also a baseball game between the fifth and sixth grades of the Hubbard Woods school, which the fifth graders won by a score of 9 to 1.

C. of C. Debates Annual Winnetka Day Proposition

The Winnetka Chamber of Commerce Monday evening discussed the matter of an annual Winnetka day celebration and listened to an interesting address by Col. Lee Alexander, of Chicago, on the approaching World's Fair.

Colonel Alexander gave what he termed an "inspirational" talk, in which he briefly outlined tentative plans for the early preparation for this great Chicago event, his remarks being featured by optimistic visions of Chicago at age one-hundred, its future and the Fair.

There was strong sentiment among members of the Chamber in favor of abandoning the usual expense of conducting Winnetka day in the manner of past celebrations, suggesting in its stead a picnic and outing for the business men of the village, their employes and families.

The matter was referred to a committee to be selected by President William T. Wersted, who appointed Herbert Paulson, B. W. Blow, A. Peters, Vic Killian and A. L. Adams.
