

A State Bank

## Security

—not speculation

THE SPECULATOR seeks abnormal returns and thereby risks—and often loses—both income and principal.

The investor chooses wisely, with the benefit of the counsel of those whose experience is dependable. He knows the wisdom of seeking a normal return on his investment—and he gets it. His principal is safe.

Consultation with the Officers of this Bank is available to the prudent and foresighted purchaser of securities at all times. Before you invest—investigate!

Banking Hours: 8 to 3; Saturdays 8 to 12:30  
Monday Evenings 7 to 8
