Hike; Plan Beach Party**

Mildred Olson's Camp Fire group, "Akiyuhapi," went for a hike a week ago Friday. The girls who were working for their firemaker's rank cooked the entire meal over the open fire. A week from next Friday the group will go on a treasure hunt after which they will go to the beach for swimming and their supper.

"Akiyuhapi" feels that it has a very good scholarship record this year. Four of the group were recently graduated from Skokie; two more, Louise Wag-

ner and Ruth Jackson, made straight "A" for the year at New Trier; and Ethel Peirce and Mary Melvin were on the honor roll for the semester at New Trier.

AUTOS COLLIDE

Two cars were slightly damaged when they collided at Woodland and Winnetka avenues, Thursday evening of last week, according to a report at the police department. One of the cars was driven by John Dingee, of 1624 Chase avenue, Chicago, and the other by Art James, of 164 Woodland avenue. Neither of the drivers was injured, according to the report.

Mrs. Leonard Bertoli, 1315 Asbury avenue, gave a bridge party last Wednesday afternoon in honor of her two house-guests, Mrs. J. M. Sterling and her daughter, Ethel, who are from Paris, France.
