

**Purple Athletes
in Final Tryouts
for Olympic Games**

Twelve Northwestern university athletes aspiring for positions on the United States Olympic team, made ready this week to journey to their respective tryout centers where the final selections of men are to be made.

Coach Tom Robinson will take four swimmers to Detroit this week to participate in the trials which are to be held in that city. Wally Colbath, National Collegiate fancy diver, has already won his position on the team at the diving trials held in San Francisco several weeks ago.

Al Schwartz, holder of the Western Conference 220 yard free style title, will endeavor to win a place in the 400 meter event. Dick Hinch, a National Collegiate champion in the back stroke, will compete in the 100 meter back stroke trials. Don Peterson, a freshman who has displayed considerable ability, will participate in the 200 yard breast stroke event. Eddie Lennox, sophomore, will also compete in the breaststroke.

Four Northwestern wrestlers will participate in the final tryouts to be held at Grand Rapids, Mich., July 4, 5 and 6. Coach Stuteville will go with the men. Ralph Lupton, National Collegiate 123 pound champion, is conceded an excellent chance of making the grade barring injuries between now and the tryouts. George LaFavour, a freshman in the same weight, also shows much promise as does Bob Miller, another freshman who competes in the 145 pound division.

Another quartet of athletes will go east for the final track tryouts in Philadelphia and Boston July 3 to 7. Rut Walter will compete in the 400 meter trials at Philadelphia July 3 and 4. This event is being held there because the race is to be run in lanes and the track at Harvard is not suited to such running. The other track candidates, Droegemueller and Warne, pole vaulters, and Hermansen, sprinter, will try out at Harvard. It is not certain yet whether the latter two named will make the trip, final decision to rest on their showing in practice during the next two weeks.

Two members of the athletic department will attend the games at Amsterdam. K. L. "Tug" Wilson, athletic director, and Frank Hill, track coach, will both be at the games. Coach Hill will take his track candidates east and will sail with the team on the Olympic boat.

Max Woldenberg of 1168 Asbury avenue is away at present. He is in the east where he is at the government camp for chemical warfare where he is spending two weeks.
