

# Techny Fields

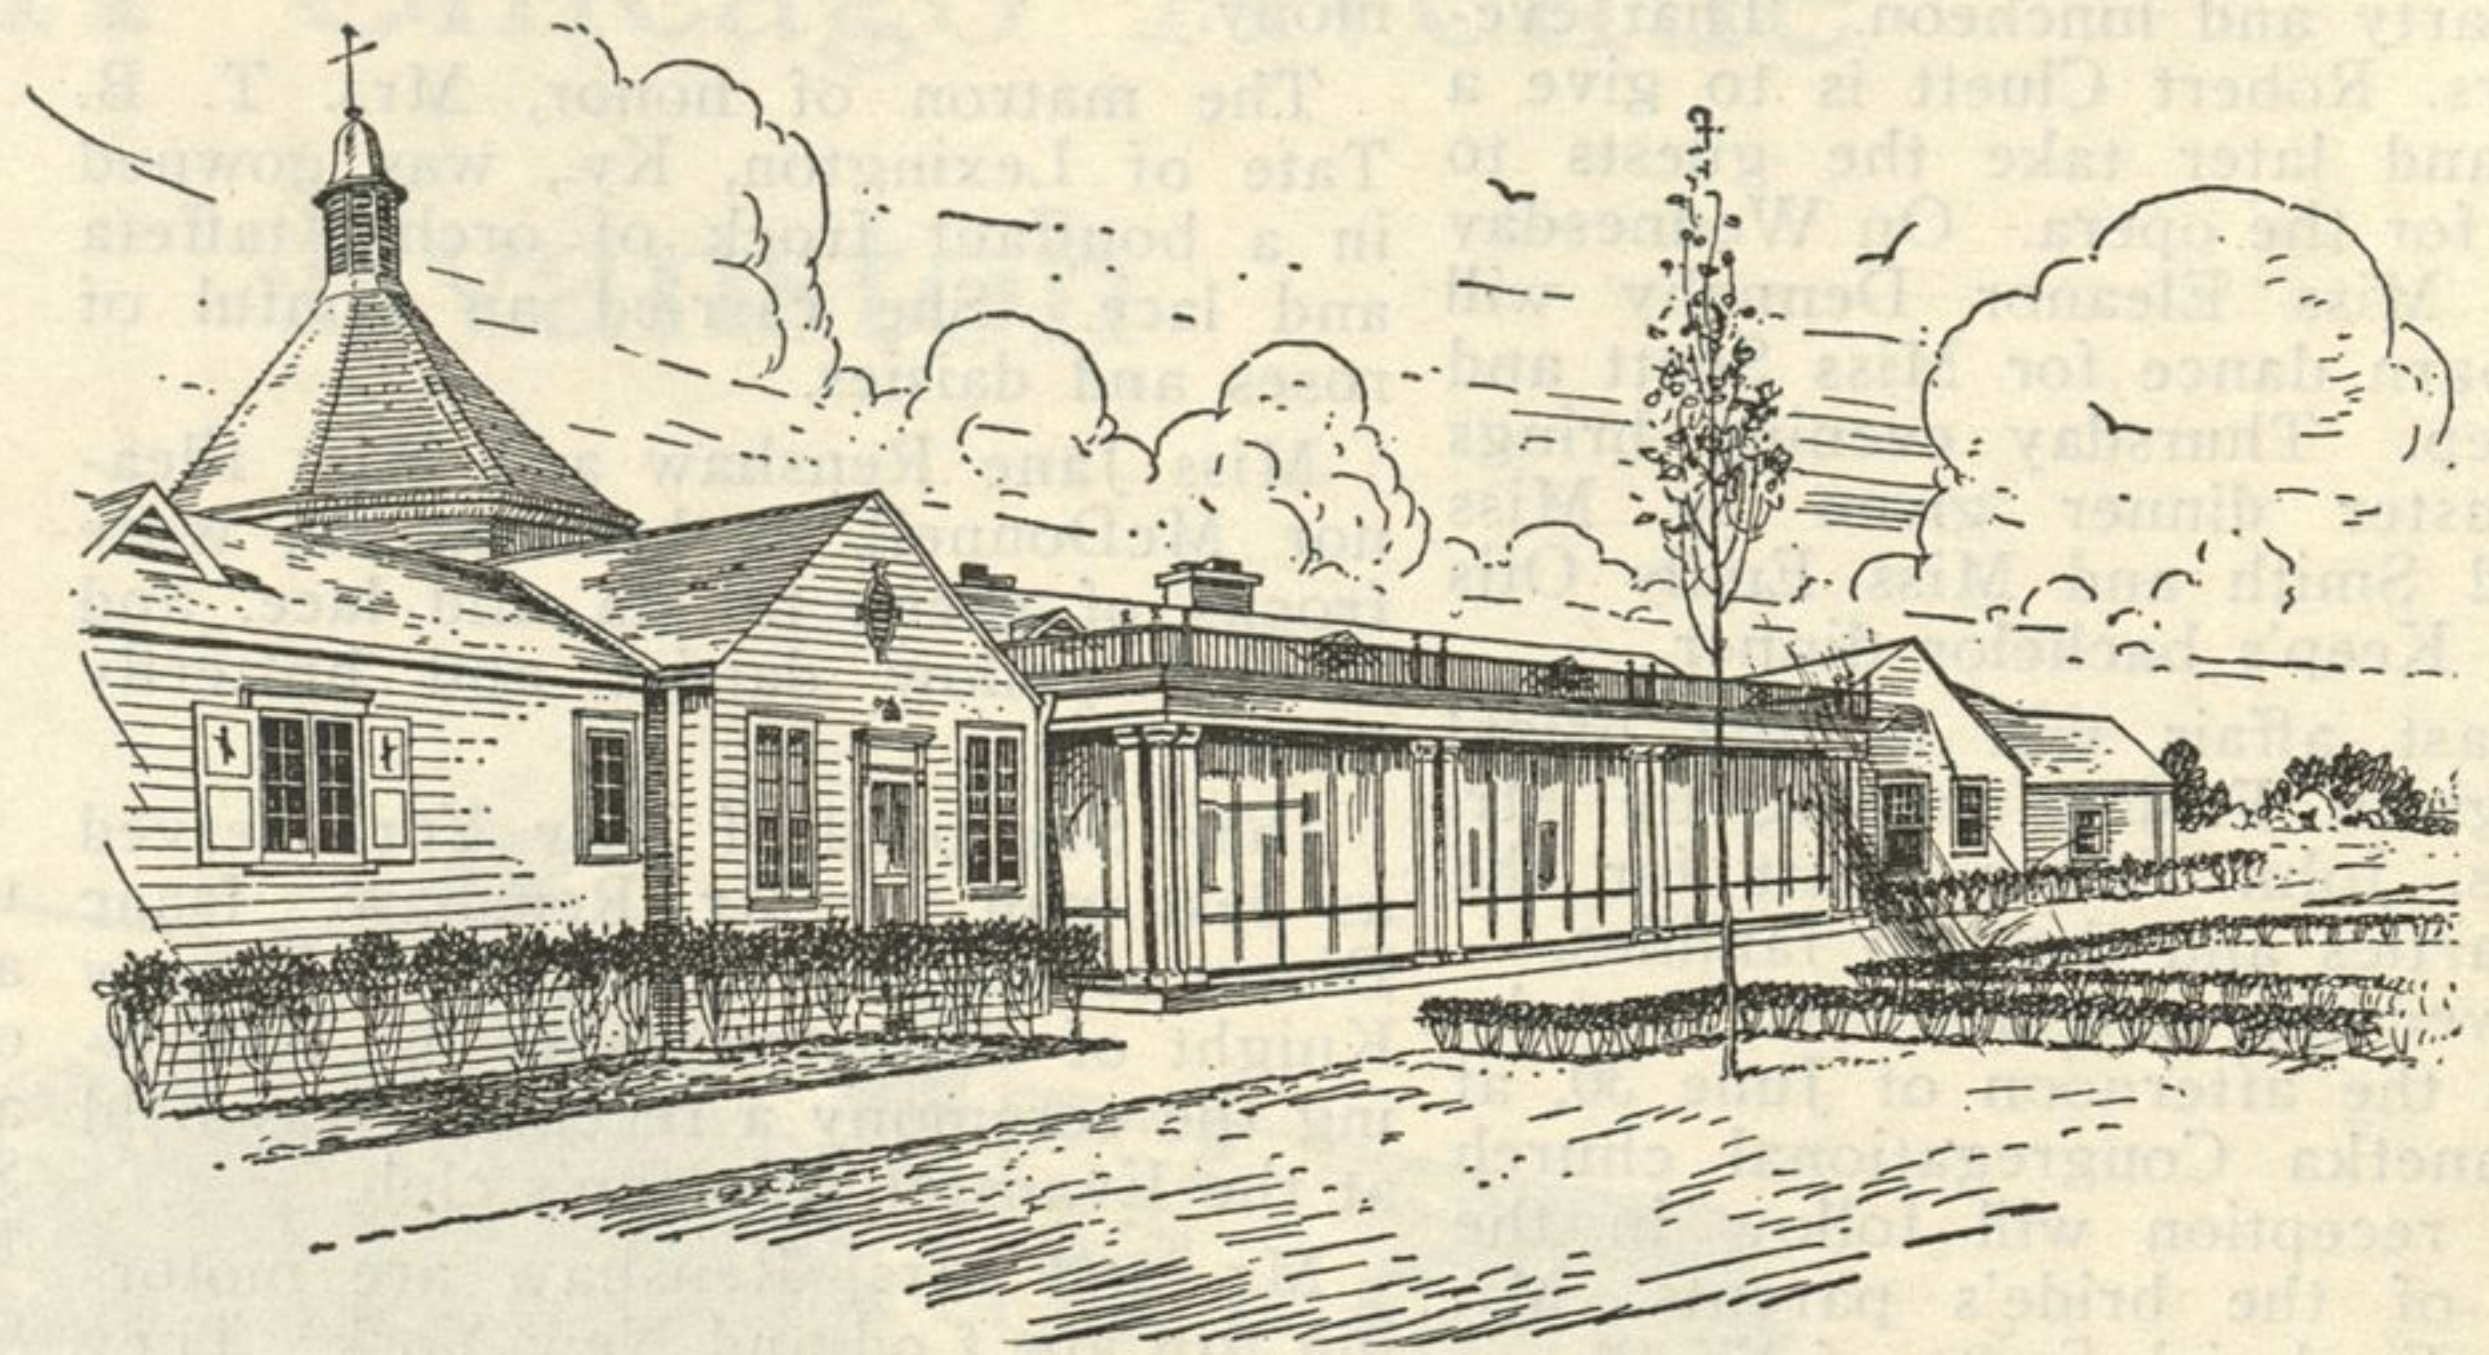

at Waukegan and Willow Roads

## —the North Shore's Newest and Finest Public Fee Golf Course Opens Saturday - June 30

*A Clubhouse that Offers All the Conveniences of a Private Club But at Regular Fee Course Prices*

One of the attractive features of this new golf club is its rambling Colonial style clubhouse which offers to players all the conveniences of a private club. These consist of:—

- A roomy locker room, showers, toilets and grill for men in one wing.
- Rest rooms, showers, toilets and a locker room for ladies in the other wing.
- A large, attractively furnished lounge.
- A dining room and kitchen where appetizing meals, lunches or refreshments are served every day in the week at moderate prices.
- A large screened porch facing the course, where players can rest and enjoy refreshments after the game.
- An experienced professional is in charge and he is available for lessons. He also operates a well stocked golf shop.

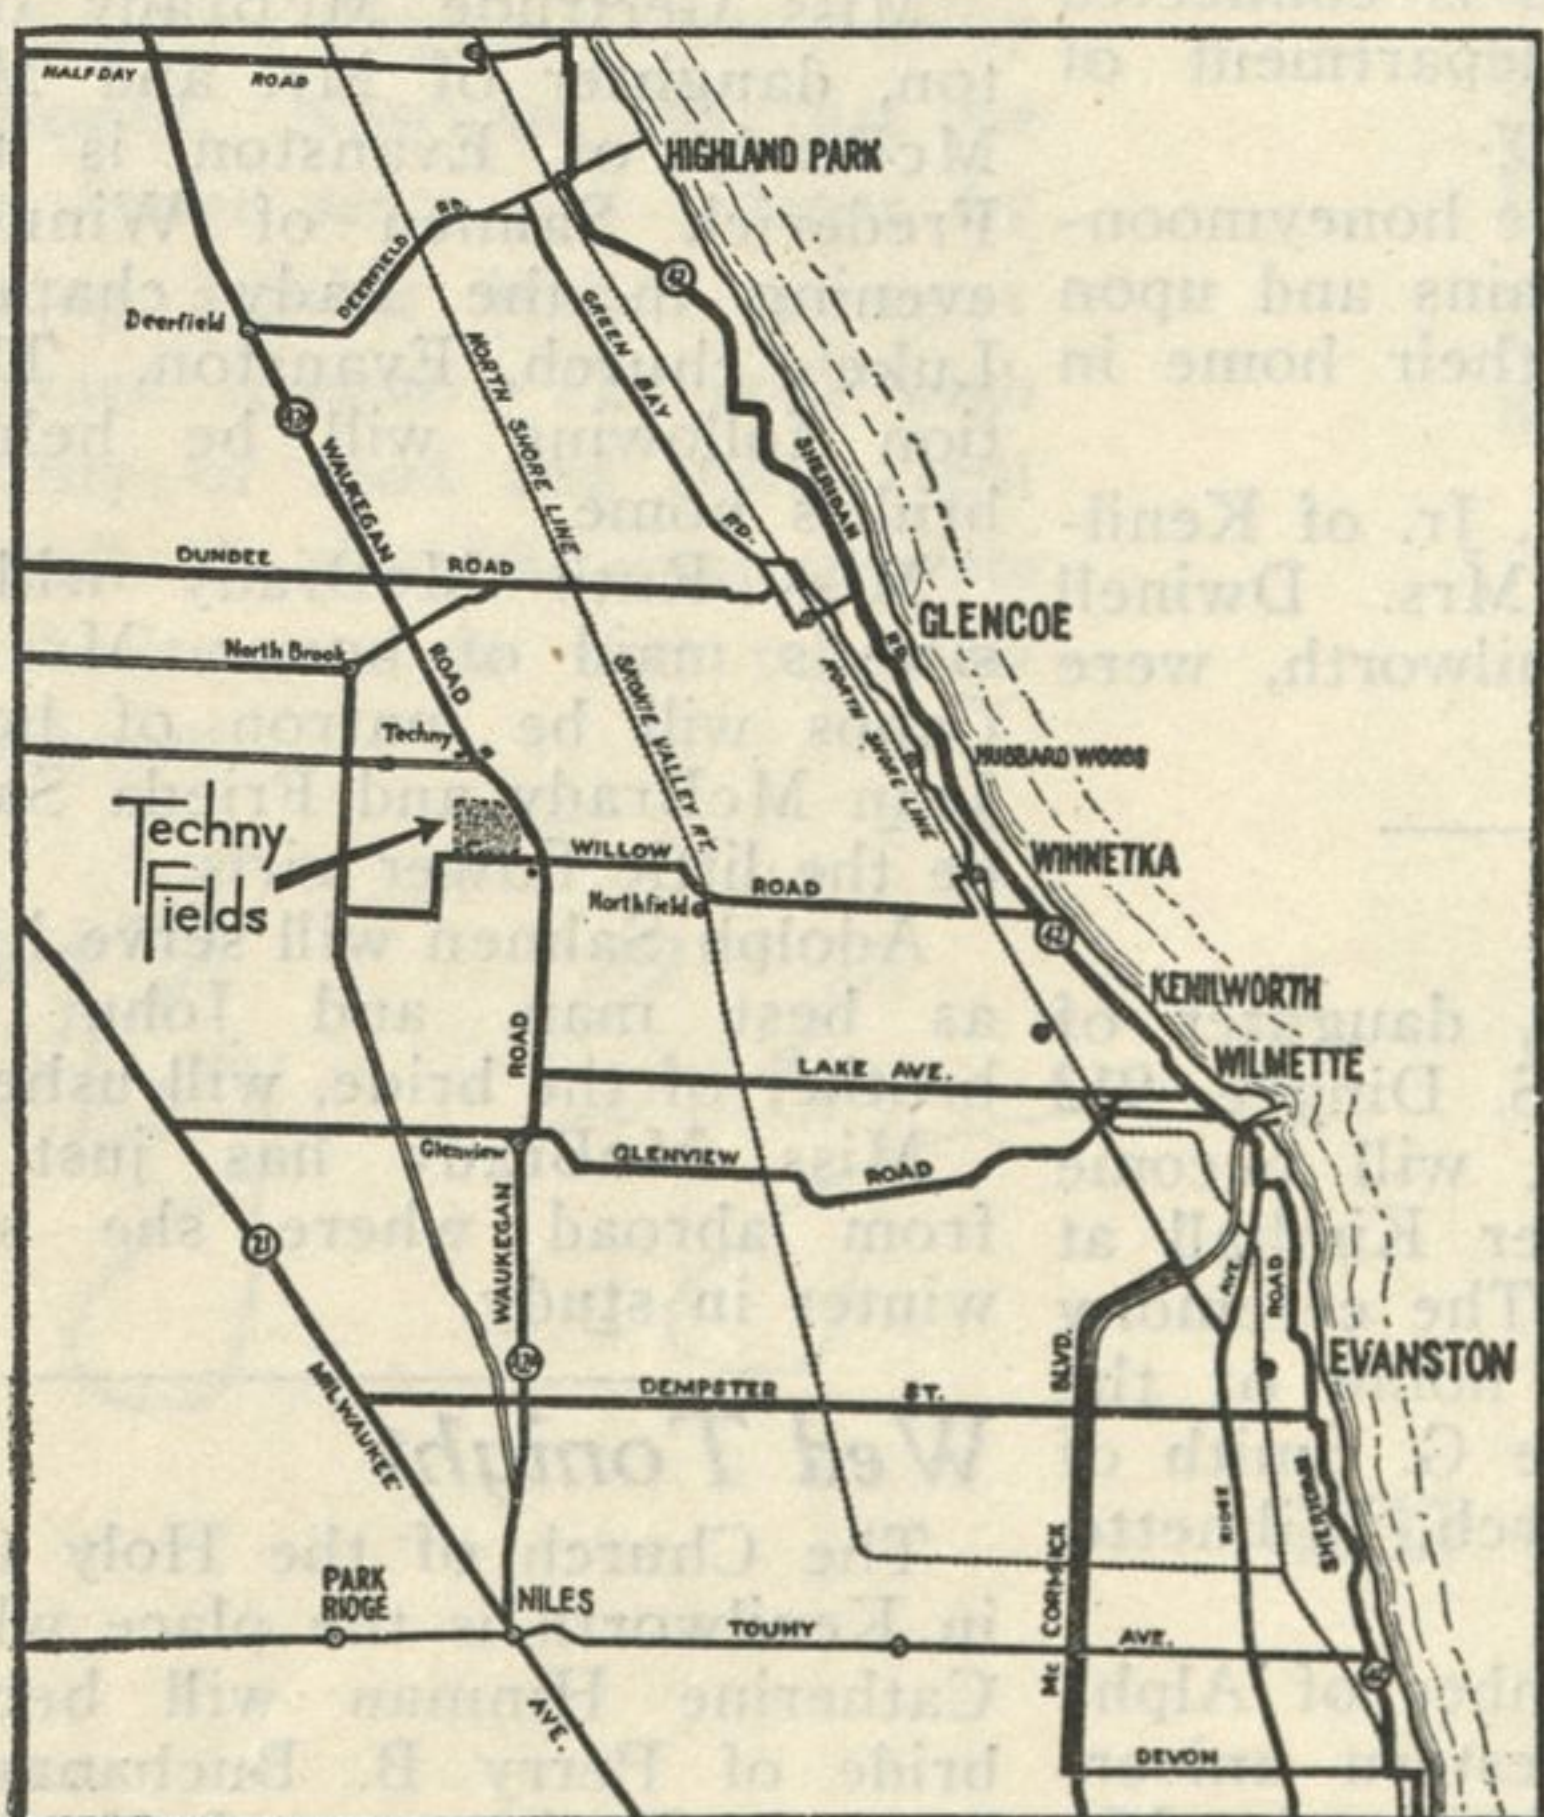

*A Sporty 18-hole Course that Offers Interesting Play*

The 18-hole course was designed by a well-known golf course architect and is well trapped, making the play interesting, but not too difficult. The greens are large and rolling and every one offers a different problem to the player.

The course was built last year and is in better condition than many courses that have been open a year.

Come out to Techny Fields. After enjoying the conveniences of this club, you will play on no other public fee course.

### EASY TO REACH

Techny Fields is located in the heart of the North Shore and is very easy to reach. It is situated at the junction of Waukegan and Willow Roads. Take the nearest east-west road to Waukegan Road, then either north or south to Willow Road. The clubhouse is 400 yards west of Waukegan Road on Willow.

### RESERVATIONS

Techny Fields is a member of the Chicago Daily Fee Golf Association. Reservations a week in advance can be made at The Hub, Chicago, or at the clubhouse—Phone, Northbrook 190.
