Memories

MEMORIES—how powerful they are! How much they contribute to the joys and sorrows of life!

We always try to make the last rites for those who have passed on as beautiful and impressive as possible. In this way the minds of relatives and friends are given appropriate impressions, and impressions are the material of which memories are made.

That is the idea back of our artistically arranged funeral home. Its workings may also be seen in every little detail of our service.

Summertime.....but not in the Cellar

Summertime—glorious outdoor days. But summertime doesn't visit the cellar where the washtubs hold forth and take hour after hour of a woman's good time, besides leaving her too tired for any good use.
