"Yoo-hoo-o- Borden's

Our next door neighbor wants 'Selected' Milk, too"

"Her children were over here to lunch the other day. They enjoyed 'Selected' so much that she came over to taste it. Now she wants to get it right along."

If you have never tried "Selected," we invite you to do so. You and your children will be quick to appreciate that it is indeed a better drinking milk.

Its sweet natural taste is due to the extra care taken at the dairy farms where it is produced.

Milk drinkers, young and old, find new enjoyment in "Selected." It makes a most satisfying beverage for the whole family in warm weather.

You'll always be glad you changed to "Selected."

17¢ a Quart

Identified by this trade mark on the hooded cap

You'll like Borden's Cream, too. Has a mild, pleasing flavor and keeps sweet.

TOM TO TEACH THEM

Coach Robinson Opens Summer Classes in Swimming, Life Saving

Another crop of north shore children and adults will learn swimming this summer under the tutelage of Tom Robinson, Northwestern's nationally known swimming coach, whose summer classes at the university gymnasium opened Monday.

A seven weeks' term ending in an exhibition Aug. 11, will be held. As he has done for many years Coach Tom is conducting classes for beginners of all ages and advanced classes for those who want tank swimming during the summer.

Life saving instruction is given in certain of the classes, which are a special concern of Tom's. He has taught many hundreds of people life saving and the records he has kept of the rescues these pupils have made testify to the thoroughness of his job.

Classes are held daily from 9 a. m. to late afternoon. Besides the advanced and beginning classes for boys and girls, some of the feature instruction periods are: men beginners, which are held 5 p. m. Tuesdays and Fridays; a mothers' and children's class Wednesdays and Saturdays at 11:15 a. m. and Tuesdays and Fridays at 2 p. m.; and the life saving.

Membership in the classes calls for a nominal charge made at the time of registration.

Geology Classes Will Spend Month in Canoes

Prof. U. S. Grant and Prof. J. T. Stark of the geology department at Northwestern will conduct classes this summer on a six weeks' geological field trip by canoes in the Lake Superior region.

Setting out from Ely, Minn., the canoeing geologists will travel eastward through several lakes along the international boundary between Minnesota and Ontario and circle back to Ely. The students will be trained in methods of field work and in detailed mapping of selected areas. The party will leave Evanston August 9 and return about a month later.

Bring Sousa

Photo by Ray

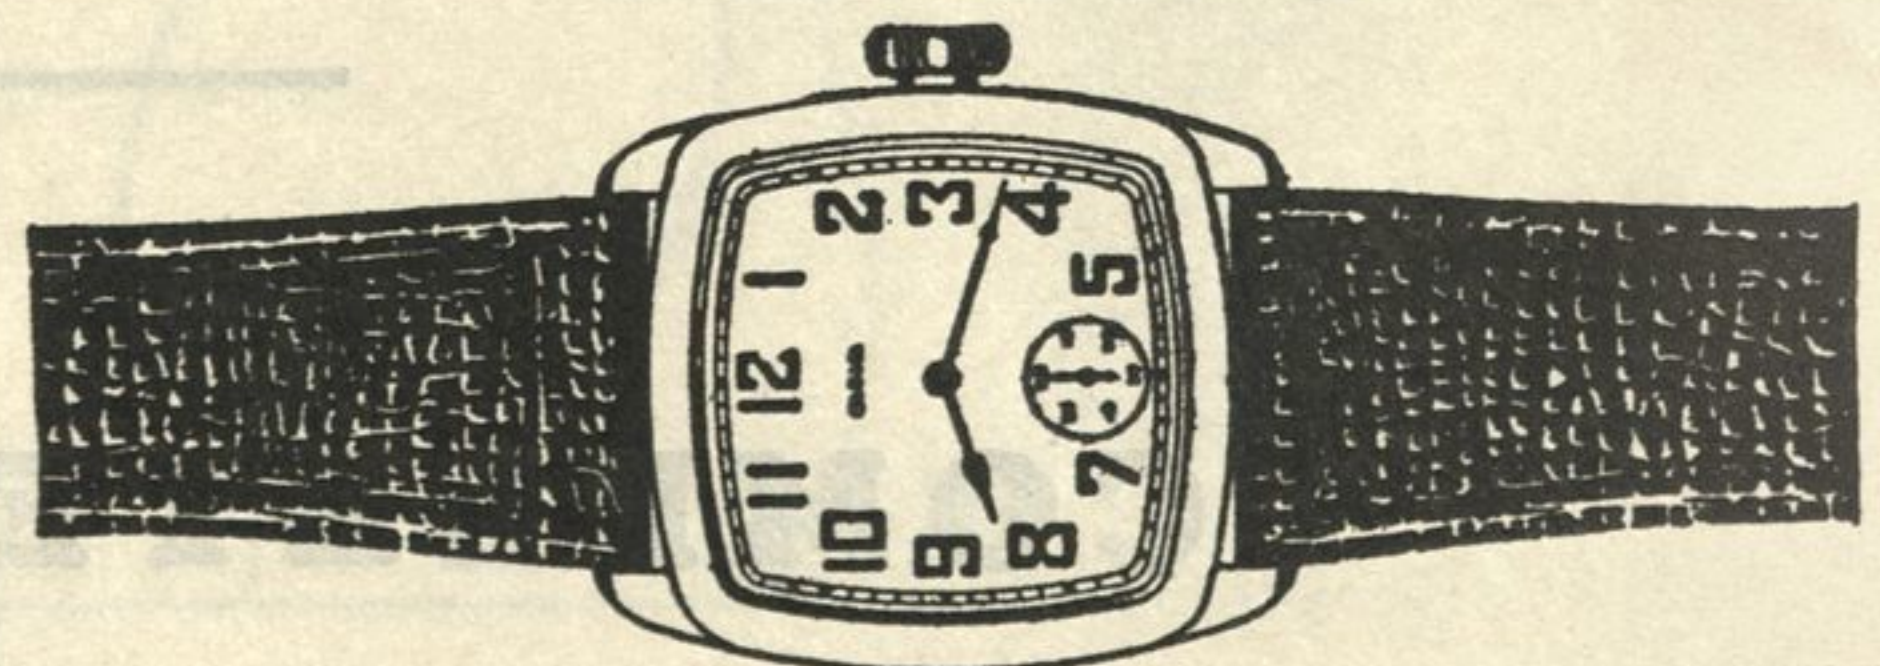

Mrs. Martin Kent Northam, president of the Evanston branch of the League of Women Voters, with Mrs. W. T. Hall of the Associate Alumnae, is co-chairman of the project which will bring Sousa and his band to the north shore in concert at the Northwestern university gymnasium, Sept. 22. Proceeds will in part benefit the proposed woman's building of Northwestern university. Various other north shore organizations are co-operating in the project.

MARRIAGE ANNOUNCED

Announcement has been made of the marriage of Miss Gladys Merrick and Francis Willard Major Saturday evening at the home of the bride's uncle in Evanston. Mrs. Major is a graduate of New Trier High school and lived in Glencoe and Ravinia for a number of years. Mr. and Mrs. Major will be at home after July 15, at 1000 Main street, Evanston.

BE ON TIME
