

# Enjoy the Privileges and Conveniences of a Private Golf Club at Fee Course Prices

## The North Shore's Finest Public Fee Golf Course

One of the attractive features of this new golf club is its rambling Colonial style clubhouse. Here the player can enjoy all the conveniences of a private golf club at the same prices charged at an ordinary fee course.

In one wing are a roomy locker room, showers, toilets and grill for the men. In the other wing are rest rooms, locker room, showers and toilets for the ladies.

In the center of the building is a large, attractively furnished lounge and a dining room. Refreshments, luncheons and dinners are served every day in the week at moderate prices.

Opening off from these two rooms is a large screened porch which faces the course. Here players may rest and enjoy refreshments after the game or those who do not play golf can play cards while waiting for the other members of their party.

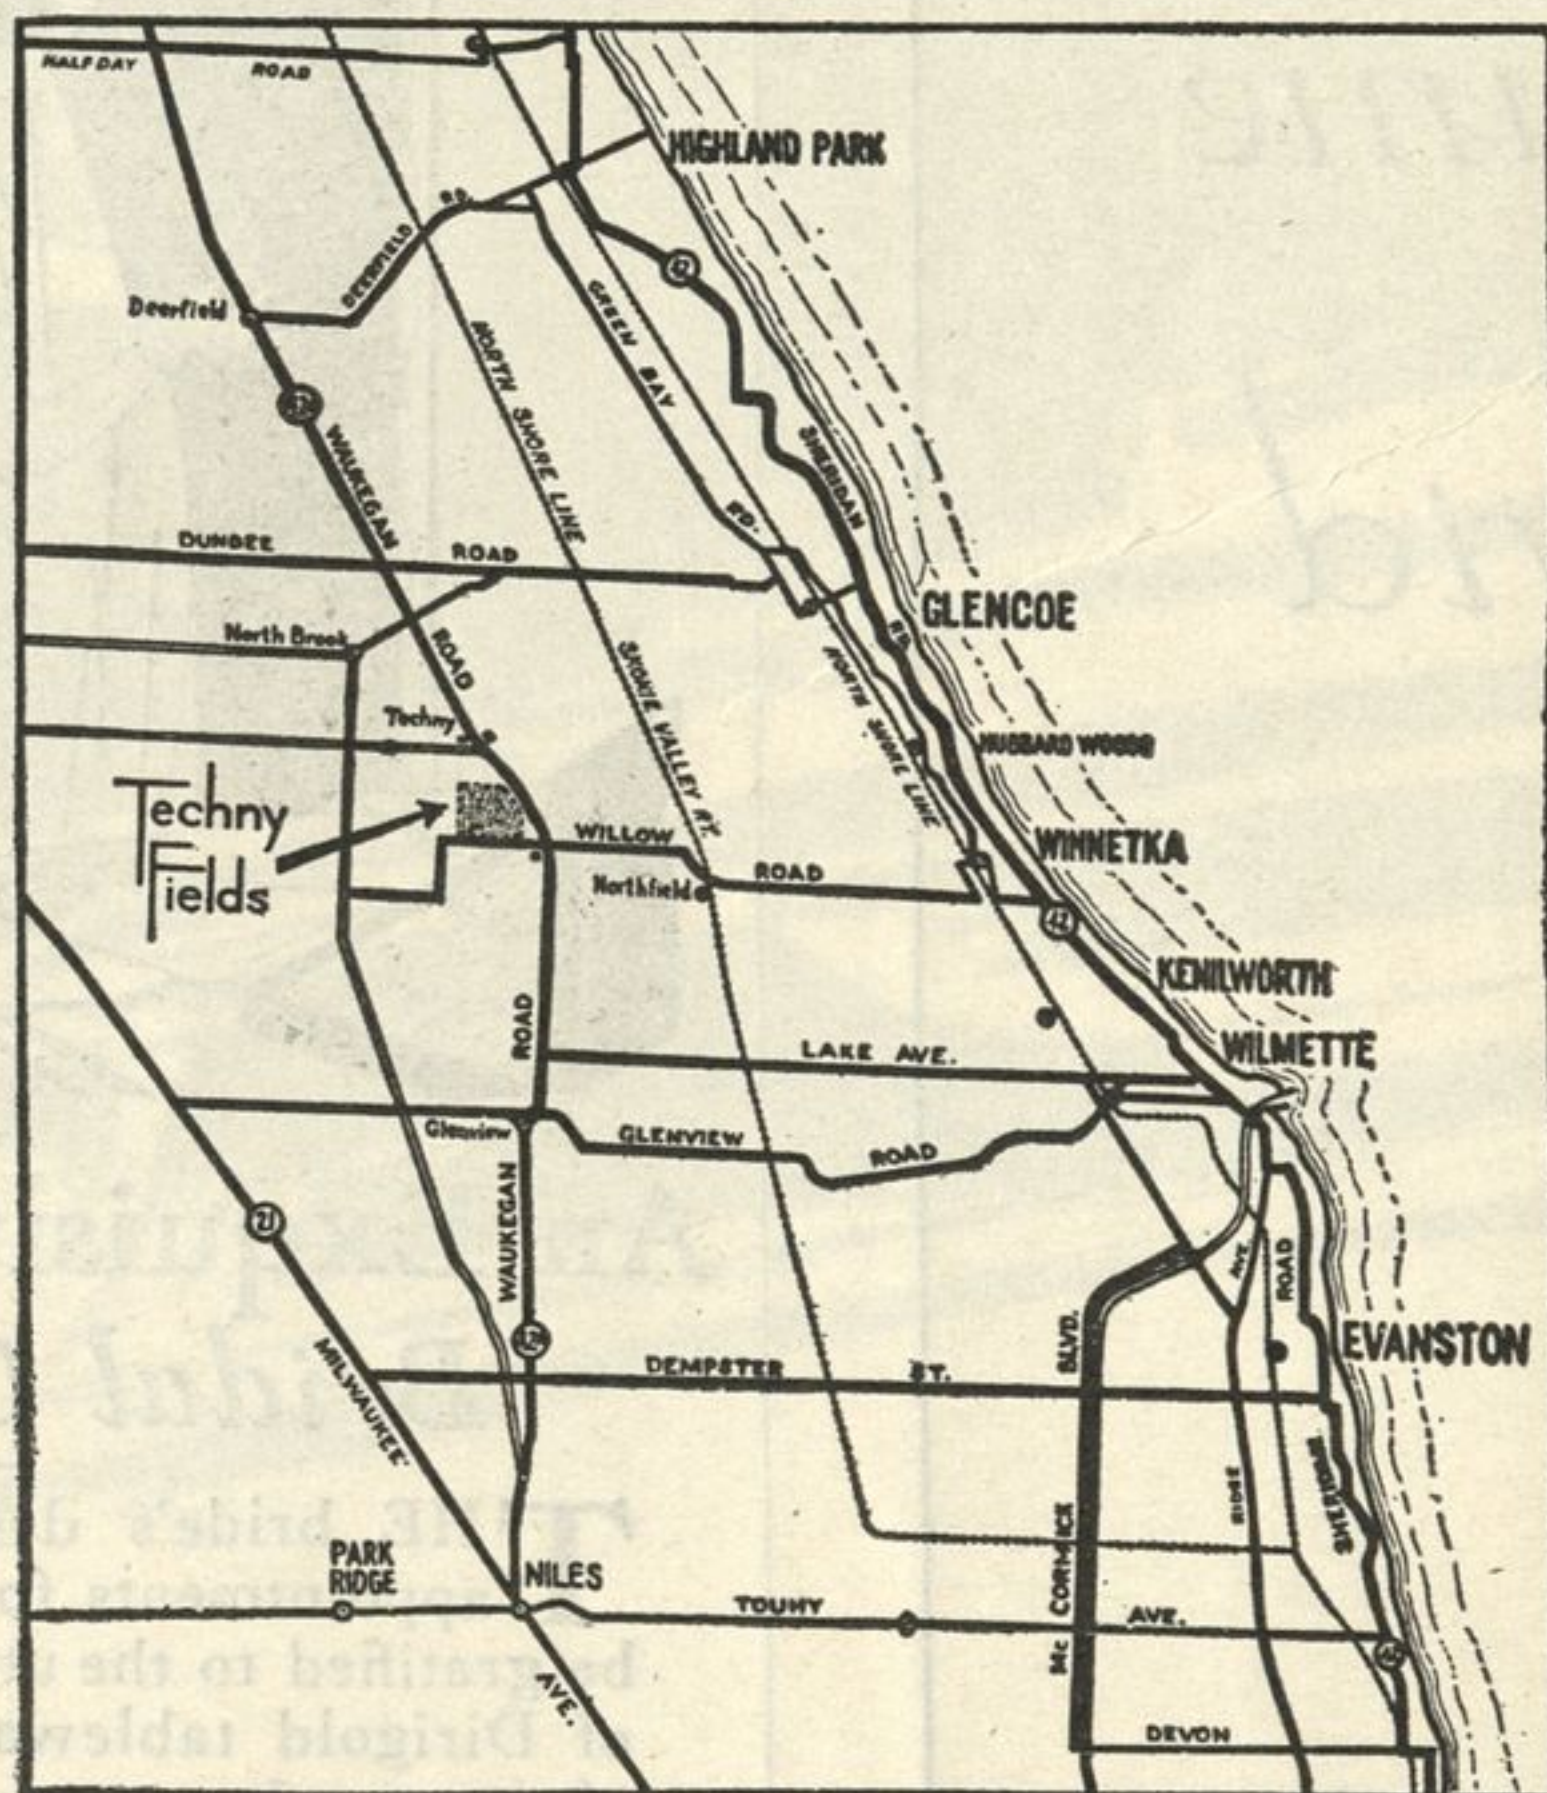

The experienced professional in charge is available for lessons. He also operates a well stocked golf shop.

### Motorists are Invited to Try our Dining Room

If you do not play golf, drop in some evening, Sunday or Holiday and enjoy a delicious meal on our cool, spacious porch that overlooks the course.

# Techny Fields

at Waukegan and Willow Roads

### Easy to Reach

Techny Fields is located in the heart of the North Shore and is very easy to reach. It is situated at the junction of Waukegan and Willow Road to Waukegan Road, then either north or south to Willow Road. The clubhouse is 400 yards west of Waukegan Road on Willow.

## A Sporty 18-hole Course that Is in Fine Condition

The 18-hole course was designed by a well-known golf architect and was built last year, and is in better condition than many courses that have been open a year.

The course is trapped so as to make play interesting but not too difficult. The greens are large and rolling and no two are alike; each presenting a different problem to the player.

Come out to Techny Fields. Make it your golf headquarters. After enjoying the conveniences of this club, you will play on no other public fee course.

### Reservations

Techny Fields is a member of the Chicago Daily Fee Golf Association. Reservations a week in advance can be made at The Hub, Chicago, or at the clubhouse. Phone Northbrook 190.
