### William A. Hadley Attends Convention for Blind Leaders

Mr. and Mrs. William A. Hadley have returned to the village after an absence of three weeks, during which time they attended the International Conference of Rotary at Minneapolis on June 18 to 22, to which Mr. Hadley went as official delegate from the Winnetka Rotary club.

Following this Mr. and Mrs. Hadley journeyed to Faribault, where, accompanied by Mr. Allen, secretary of The Hadley Correspondence School for the Blind, they attended the biennial convention of American Instructors of the Blind, from June 25 to June 29.

Mr. Hadley made two contributions to this gathering, first addressing the convention on "Insurance Salesmanship as a Profession for the Blind," and later presenting a paper on the work of The John Milton Foundation (an organization of which Mr. Hadley is a director, and having for its object the publication of religious literature for the Protestant blind).

Leaders in work for the blind from all over the country attended, and among those present was George Fryer, principal of a school for the blind in Shanghai, China, from whom Mr. Hadley learned of the good progress of two former Chinese pupils of The Hadley Correspondence school.

Mrs. A. K. Schifflin, 1228 Asbury avenue, entertained some of the members and the officers of the Chicago Charity club at luncheon yesterday. A regular meeting was held in the afternoon.

Mrs. J. Endicott Bradstreet of 334 Ridge avenue with her daughter, Anne Dudley, left today to spend a few weeks with her sister at Louisville, Ky.

### HOSTS TO CHILDREN

Winnetka Circle Groups Provide Picnic Outings for Children of Chicago Commons; Center Assists

One hundred and seventy-five children from the Chicago Commons are being entertained at picnic outings by Winnetka organizations this week. The children are brought to Winnetka on special North Shore trains. Picnic luncheons are held either at the Community House or at the beach at noon followed by swimming and games during the afternoon.

The Foxdale avenue circle entertained thirty-seven of the Chicago Commons children Tuesday afternoon. Mrs. Ralph Morphett was in charge. On Wednesday afternoon thirty-five more children were guests, this time of the West Elm street circle, with Mrs. Burton Atwood, Jr., in charge.

Fifty children were entertained yesterday by the Rosewood circle under the direction of Mrs. R. F. Feagans, and the same number will be guests next Tuesday of the Winnetka Community House staff. Kathryn Flinn is in charge of arrangements for that picnic and she is being assisted by Mrs. G. T. Ellison, Mrs. Wesley Bowman, Mrs. Burton Atwood, Jr., Mrs. J. D. Pierce, Miss Mary Garretson, and Miss Mary Williams.

A family reunion was held last Sunday at the home of Mr. and Mrs. William Noble, 1010 Oak street. The occasion is an annual one at which the family gathers to celebrate the birthday of Miss Margaret Noble. There were four generations present.

Mr. and Mrs. C. D. Dallas of 1124 Pine street, and their children, Harriet Louise, Mary, and Hughes, have gone to Europe and will not return until September 12.
