

Plan Interesting Summer Jaunt for Group of Scouts

If the plans of the Executive board of the North Shore Area council in the purchasing of a camp site in northern Wisconsin materialize, a group of older, advanced Scouts will probably leave for a week or ten days' tour early in August.

The trip will be made under the leadership of Scout Executive Walter McPeck, and a group of Scoutmasters, and will include a trip through the Shawano Indian Reservation, along the Wolff River to Antigo, Elcho, Rhinelander, Crandon, Eagle River, and other points of interest in northern Wisconsin.

Campers on this trip will probably spend a few days on the site of camp, the purchase of which is now under consideration.

Scouts over 14 years of age, who are at least of First Class rank, and who desire to go, have been requested to notify the area office, 360 Central avenue, Highland Park.

Chemistry Institute to Hear Eminent Scientist

Dr. Harry N. Holmes, head of the department of chemistry at Oberlin college, will give a series of lectures at the institute of chemistry of the American Chemical society to be held at Northwestern university, July 23 to August 18. Dr. Holmes is well known to chemists as a teacher as well as a research worker in the field of colloids. His lectures will be given as a part of the course in teaching methods which is being organized by B. S. Hopkins, of the University of Illinois.

Ruth Poff, daughter of Dr. and Mrs. Delbert W. Poff of 739 Walden road, is recovering from an illness which has kept her home for some time.

Mrs. F. O. Neubacher entertained at luncheon and bridge for twenty guests last Tuesday at her home, 215 Woodland avenue.

Mr. and Mrs. Arch W. Shaw of 50 Locust road are entertaining Mr. and Mrs. Lewis Walker of Muskegon, Wis., as their house guest.

William Smith, son of Mr. and Mrs. W. J. Smith, 1078 Elm street, is spending two weeks on a farm near Clintonville, Wisconsin.

Mrs. Charles H. Matz of 647 Lincoln avenue had as her house guest last week, Mrs. Margery Huttig of Kansas City.

Community Leaders Happy Over Scouting Progress

Officials of the North Shore Area council, Boy Scouts of America, in looking forward to the commemoration of the beginning of the third year of the council next fall, are attempting to evaluate the work that has gone on and the results which have been secured. Scouting has been extended to many hundreds of boys, more than twice as many now being reached as two years ago. The men of the various towns are taking a much stronger

interest and much more active part in the Scout work. Among the north shore leaders who have spoken glowingly of Scouting activity in this vicinity is Arthur B. Rowell, Glencoe superintendent of schools.

The William M. Hoyt, II, family has gone to Vermillion Lake, Minn., to spend a month, and will return to 490 Cherry street early in August.

Mrs. N. Landon Hoyt of 535 Sheridan road has gone to Atlantic City with her daughter, Mrs. Elliot Sternes, of Cleveland, Ohio.
