Enroll for Summer,  
Have Parties, Trips**

The six weeks summer session of the National Kindergarten and Elementary College is in full swing, with an enrollment of 214 kindergarten and elementary teachers and supervisors from twenty-nine states. Among the courses that are proving popular this summer are Dr. Mary Pope's course in Physiology; Educational Measurement by Miss Anna Markt; Scientific Studies in Reading and Language, which Dr. Louise Farwell is offering for the first time; Behavior Problems with Miss Martha Fink and Nursery School Education with Miss Nina Kenagy.

The course in Fine and Industrial Arts, with Miss Nellie MacLennan as instructor, is attracting attention, and the enrollment is filled also in the courses in Evolution of the Arts and The Arts in Childhood Education, with Caroline Crawford McLean.

The program for the session includes also a number of excursions and parties planned to give the students an opportunity of becoming acquainted with one another and with members of the faculty as well as with the interesting features of the locality. Recently sixty students enjoyed a bus ride along the north shore and through Chicago. Last Friday a beach party was held on the Wilmette beach. This annual wiener roast is always greatly enjoyed.

M. Francis Arnold, instructor in Interpretation of Art and Music at National Kindergarten and Elementary college, acted as conductor for the group of summer school students who visited the Art Institute of Chicago on Saturday, July 7.

A large group of students from the National Kindergarten and Elementary College, Evanston, were expecting to attend the opera at Ravinia on Friday evening of this week. This trip to Ravinia is an annual affair and is greatly enjoyed by summer students who have no opportunity of attending opera during the winter, and to whom the beautiful surroundings and out-of-door setting is a new and delightful experience.

Miss Nina Kenagy, director of Mary Crane Nursery, will be conductor of the trip to Hull House for the Summer School students of N. K. E. C. on Saturday, July 14.

A trip to the Municipal Pier and through the plant of one of the world's largest newspapers has been planned for the summer students of the National Kindergarten and Elementary College for Friday evening, July 20.

The Social Director of the National Kindergarten and Elementary college is planning an all-day bus trip to Lake Geneva for the Summer School students on Saturday, July 21. This proved to be a very popular excursion last year.

The last weekly excursion for the Summer School Students of the National Kindergarten and Elementary college will take place on July 28, when a party will be conducted through the Field Museum.

**AT WESTMORELAND**

July brings two events of particular social interest to the adult members of Westmoreland Country club. Tomorrow evening is the occasion of a dinner dance, with 7 o'clock the dining hour for members and their guests, and dancing following at 9. For the evening of July 25, the entertainment committee has arranged a 7 o'clock buffet supper with pivot bridge later in the evening.

Mr. and Mrs. Arthur Zipf of 596 Arbor Vitae road left Thursday for their summer home, Sunny Slope, at Lake Geneva.

THE NOISELESS OIL BURNER

**WHY PUT OFF PLACING  
YOUR ORDER  
FOR A SILENT AUTOMATIC?**

Sept. 1st is just a few weeks ahead of us. Our orders on hand will keep us busy until Aug. 15th, then you will want a quick installation just when we will be unable to serve you promptly. If you doubt this statement just come into our office and see for yourself the orders we have ahead, or go to the Bldg. Dept. and ask about the permits being taken out by Silent Automatic; then you will know that we are installing two Silent Automatic Oil Burners to one of any other.

SILENT AUTOMATIC OIL BURNERS ARE OUTSELLING ALL OTHER OIL BURNERS, and rightly so because it is the only silent, dependable burner made, and indorsed by all its users, not a single failure.
