

Panosh in Form; Winnetka Defeats Chicago Magpies

The rampaging Winnetka baseball team resumed its winning ways again last Sunday, and lambasted the cackling Chicago Magpies for an 8 to 5 win. Because of the flooded condition of the Skokie Playfield diamond the game was played on the Skokie school field, and only a handful of loyal Winnetka rooters turned out to witness the pastime.

The Magpies gave the locals a strenuous battle for six innings, at which time the Winnetka outfit was clinging to a meager 4 to 3 lead. In the last half of the seventh the home clubbers began utilizing their bats for something more than shoulder ornaments, and as a result, Murphy, the Magpie twirler, was sent to the showers. Murphy, it might be stated, was somewhat of a good pitcher, and enjoyed a reputation of having played for several years in the International league with the Baltimore Orioles. The local outfit, however, refused to take a back seat for a mere reputation, and began wading into Mr. Murphy's offerings in the seventh after which time they breezed along comfortably out of danger.

Panosh Whiffs Twelve

George Panosh, the pride of the Winnetka team, enjoyed another good day on the mound. He whiffed twelve, walked two, and only allowed eight hits. George is an excellent pitcher, and is easily the best twirler that has ever performed for a local team. On the Fourth of July he let the heavy clouting Wilmette team down with four well scattered hits, and gave them the small end of a 3 to 2 score.

Next Sunday Winnetka will engage the strong North Chicago Booster team. This team earlier in the season

trimmed Wilmette 16 to 1. It is hoped that Panosh will again enjoy a successful day.

"Luke" Johnsos, who captained this year's Northwestern university nine, and who has been playing a bang-up game in center field for the Winnetka club this season, will return from Cincinnati in time to don a uniform for Sunday's game. Luke, as most of the fans already know, left immediately after the Fourth of July game for Cincinnati where he has been working out with the Cincinnati Reds.

In the last report from Mr. Runfeldt, grounds keeper of the Skokie Playfield, he stated that the baseball diamond will be in first class condition for tomorrow's game. In the event of rain causing a re-flooding of the diamond, the game will be played at the Skokie school field.

Games every Sunday throughout the summer, starting time 3 o'clock.
