The Man-in-the-Moon's  
**MEALTIME STORIES**

*There once was a boy named Tommy Tupper  
Stayed out late and missed his supper.  
And this was a thing for Tom to rue  
For dinner they'd had a nice lamb stew.*

**Father will never care to miss his supper when mother  
buys the meats from us.**

a full bin in July  
and a full pocketbook in December

RIGHT NOW—in July—is an ideal time to fill up your coal bin for next winter. Summer prices now in effect will repay for your foresight by saving you a substantial sum. A full coal bin is a safe investment that pays big dividends—your money is bound to bring you an exceptionally high rate of interest. In addition there is the satisfaction of knowing that irregularities of supply cannot affect you. And next winter's congestion of orders need not concern you. Call us up today.

*Daylight saving time brings long evenings to work about the house and garden. Every householder takes delight in working with fragrant new lumber and good tools. Figure out what you need—or ask us for recommendations. We'll send the necessary material—CERTIFIED, of course!*
