REV. THOMAS A. GOODWIN RESIGNS PASTORATE HERE

Accepts Call by Waukegan Congregation, to Become Effective September First

Rev. Thomas A. Goodwin has resigned as associate minister of the Winnetka Congregational church and has accepted a call to the pastorate of the Congregational church at Waukegan.

His resignation was read at the morning worship last Sunday. His duties in Waukegan will commence September 1. In the meantime he will continue his ministry here, preaching at the morning worship each Sunday in July and August.

It is not expected that the evening services, which were discontinued in June, will be resumed.

Mr. Goodwin was called to the staff of the Winnetka Congregational church two and one-half years ago, since which time he has been conducting the evening worship and sharing with Rev. James Austin Richards the general pastoral work in the parish.

To Build New Church

The Waukegan church has purchased a site in the new residential area on the north side of the city, and is faced with the problem of building a new edifice and ministering to the needs of this growing section of Waukegan, in which there is no other Protestant church.

A brief business meeting of the Winnetka church has been called for Sunday, July 29, following the morning worship, to act upon the resignation of Mr. Goodwin.

Chamber of Commerce Pushes Plan for Frolic

Plans are going ahead for Winnetka Day the latter part of August, when Chamber of Commerce members, their families, and their employees will frolic for a day at one of the nearby lakes. A meeting of the Chamber of Commerce is to be held the early part of next month. Robert Doepel, vice-president of the Chamber of Commerce and chairman of the entertainment committee for Winnetka Day, states that completed plans for the day's activities will be ready by that time.

RETURN FROM MOTOR TRIP

Mr. and Mrs. C. Colton Daughaday, 180 Chestnut street, returned recently from an extensive motor trip. Marion Colton, and William drove east with them to their respective camps. Marion will be near South Orleans on Cape Cod and Colton and William are at Marienseld Camp near Dublin, N. H. After leaving the children at these camps Mr. and Mrs. Daughaday drove down to Virginia and visited Mr. and Mrs. Louis Harth.

MEETS WEDNESDAY

The Young Women's auxiliary of the Winnetka Congregational church will meet next Wednesday at the home of Mrs. Percy Greene, 1086 Laurel avenue. Guests are asked to bring their own luncheon and sewing will be provided.

North Shore Train Wrecks Stalled Car at Harbor Crossing

Tuesday afternoon as Mr. and Mrs. A. C. Sinclair, of 931 Crescent place, Chicago, were driving across the tracks at Harbor street, Glencoe, in front of a northbound North Shore Milwaukee Electric express train, the engine of their car stopped and they barely had time to escape before the train hit it.

The car was carried 150 feet up the track, where the wreckage blocked both north and south bound traffic for thirty minutes.

Second Wreck

While Chief of Police Jacob Rudolph was directing the clearing of this wreck, he was summoned a block east, to Harbor street and Green Bay road, where another automobile accident occurred.

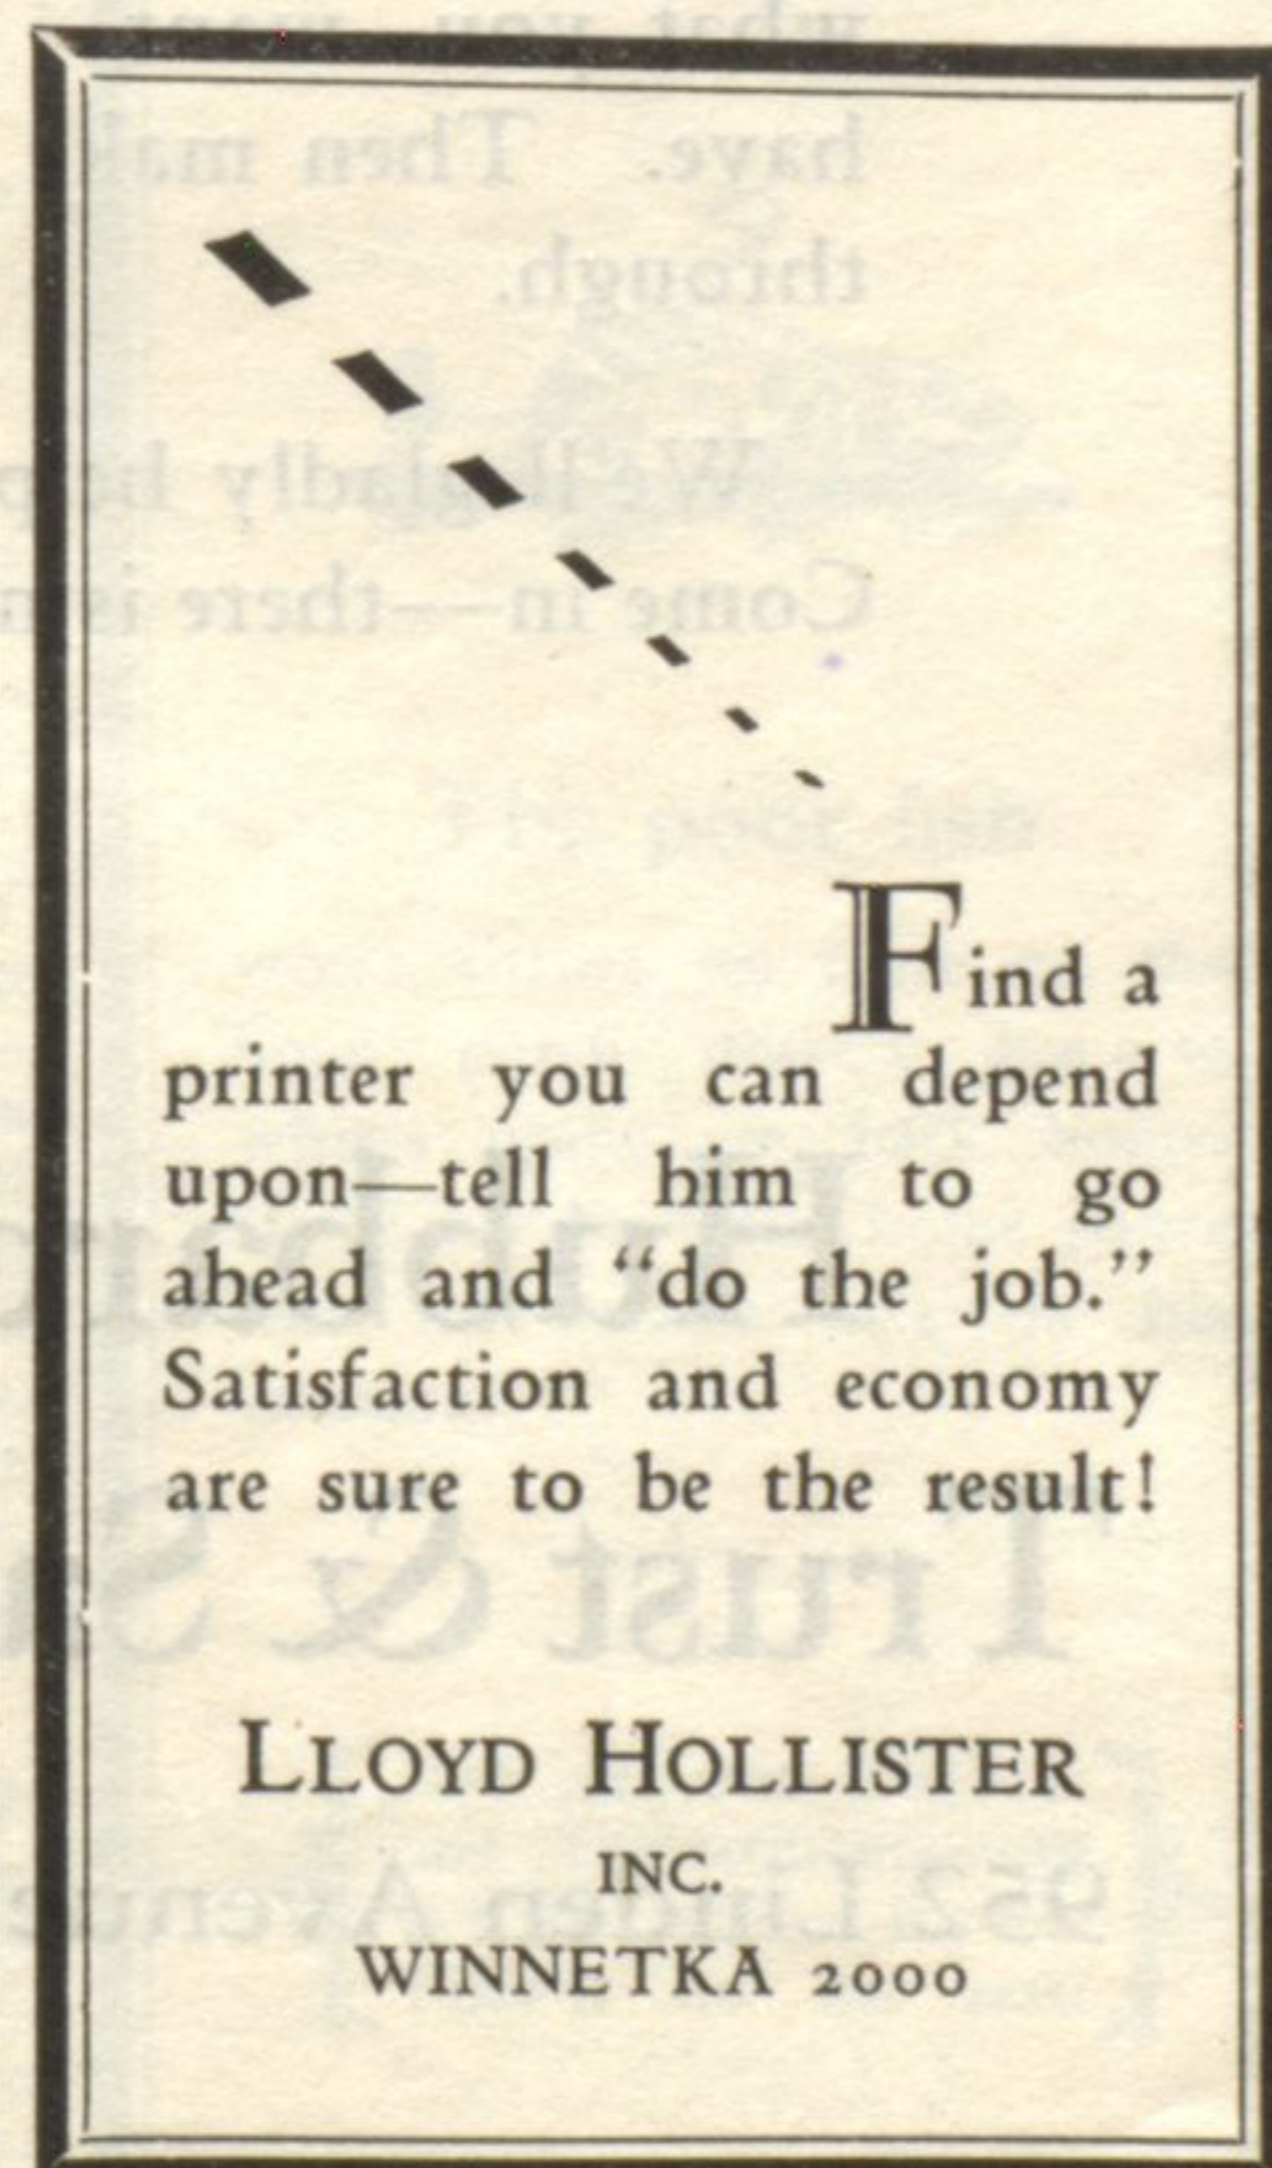

Tom Behan, driving south on Green Bay, just after crossing Harbor street decided to turn around. He said he failed to see an automobile closely following him, driven by Mrs. O. B. Graczy, of Chicago, whose car crashed into the Ford, demolishing the latter and damaging her own car.

Township Commissioner Opens Drainage Ditches

J. A. Williams, New Trier township highway commissioner, has been busy for several weeks supervising the opening of all drainage ditches along roadsides throughout the township. His men have recently cleaned out the large ditch that runs under Glenview road between Hibbard road and the tracks.

This work is supplementary to that now being conducted by the Mosquito Abatement district in an effort to give this section the best possible drainage. Many of the ditches in New Trier township were filled with silt ranging from a few inches to two feet deep.

Miss Elizabeth Shibley, 544 Chestnut street, is leaving next Tuesday for France. Miss Shibley will be away about a month.

ANOTHER BOY DROWNS

Stewart Carpenter of Winnetka Is Lake Victim Following Death of Chicago Boy

The second drowning within a week in Winnetka and the third in three weeks occurred last Monday, July 16, when Stewart Carpenter, 948 Hubbard lane, nineteen year old son of Mr. and Mrs. Henry A. Carpenter, was drowned at Porter's beach near Sheridan road and Fisher lane.

Young Carpenter was apparently alone when drowned, and no witnesses to the tragedy were found. He went into the water about 3:30 o'clock in the afternoon, according to the police report. The boy was regarded as an expert swimmer.

The body was recovered about 9:30 o'clock Monday evening by Capt. O. W. Fricke's men from the United States Coast Guard station at Evanston. The inquest was held at Scott's undertaking parlor, 554 Center street, Winnetka, and the verdict was "accidental drowning caused by cramps."

Besides his parents, the boy is survived by four brothers, David, James, Henry, and Fletcher, and one sister, Agnes. Funeral services were held at the late residence, 948 Hubbard lane, Wednesday afternoon at 2 o'clock, and interment was made at Graceland cemetery.

The Carpenter drowning occurred exactly one week after Barney Arthur, of 2532 North Kildare avenue, Chicago, met a similar fate at the same place.

Chief W. M. Peterson, of the Winnetka police department, has again issued a warning against bathing in the lake where there are no life guards. He expects to discuss with the members of the village council at their next meeting the possibility of a regulation prohibiting public bathing except at the two regular Winnetka beaches.

Swarm of Bees Escapes Winnetka Police Search

Wanted—a swarm of bees!

The multitudinous duties of the Winnetka police department were again pointed out last week when a call came from a man on Sheridan road asking that the officers help him locate a pet hive of bees which had swarmed and disappeared. The officers immediately got busy and scoured the town, looking in every tree hollow for the little honey makers. The outlook is gloomy since no traces of the bees have been found to date.

PLAN EASTERN TRIP

Mr. and Mrs. D. K. French, 503 Hawthorn lane, are planning to leave for the east the middle of August. They will be the guests of Mr. French's uncle, Herbert G. French, of Cincinnati, at his summer home in Maine for several weeks and on their way home Mr. French will attend the convention of the American Chemical society, which takes place at Swampscott, near Boston, on September 10.

Dr. and Mrs. Edwin T. Schildberg and son, Edwin, Jr., of 1015 Ash street, left July 11, for the northern part of Minnesota to be gone until the first of August. Dr. Schildberg's mother and father are motoring with them.

DEDICATION OF FIESTA AT VISTA DEL LAGO GAY

Members and Guests Dine, Dance and Enjoy Evening of Entertainment in New Ballroom

Colorful, summery and gay as an evening in Old Spain. That terse sentence describes as accurately and completely, as is possible, the inauguration of the three day celebration marking the dedication of Club Vista del Lago's new Fiesta ballroom and Galeria, on Wednesday evening. Members and guests to the number of two hundred and fifteen were there. They dined, danced and enjoyed an evening of entertainment.

It was one of those unusual affairs in which the social side of north shore life indulged itself to its most pleasurable degree. The members, coming from north shore suburbs stretching from Evanston to Lake Forest had as their guests other suburbanites, Chicagoans and there was one guest who claims far away Madrid as home.

Spanish Atmosphere Everywhere

The artistry of the new ballroom, which is the second step in the building of what is to be a most pretentious club on the lake shore in No Man's Land, has been accomplished by the thought and deft hand of Mrs. Howard Linn of Chicago. Spanish atmosphere is there as it is everywhere in the club. Surrounding the dance floor are tables and in the Galeria to the west there are more tables where the members and their guests dined at eight o'clock.

Everywhere in this new unit of the club there is color, splashes of it, and under soft colorful lights the members and guests dined. Later in the evening they moved out to the Esplanade where they might dance in the open where it was cooler.

Spanish troubadours and native senoritas provided entertainment which drew applause and encores, Leo Nadel of Chicago being the director. Pedroza, basso of the Mexican Opera company sang three songs. Miss Rubye McDaniel Bell of Kentucky, lyric soprano also appeared.

Characteristic Spanish dancing was another feature. The music was furnished by Cope Harvey's orchestra.

The members who entertained at dinner were representative of all the north shore suburbs. Commodore Blackton of Hollywood, California, who organized Club Vista del Lago entertained twenty-eight guests. At Mellon C. Martin's table there were ten guests. Elbert M. Antrim had ten guests and so did Ray Hollis.

J. E. Worthen was host to ten guests at his table. Other members at the tables and the number of their guests were:

I. M. Archambault, four; J. L. Barrett, nine; Robert M. Burns, twelve; George Brumlik, four; F. W. Burpee and Mrs. S. Chapell, six; P. N. Dale, six; John H. Davies, five; R. L. Fowler, seven; J. R. Fugard, eight; Dr. Charles Galloway, eight; D. L. Jennings, four; Frank P. Kuten, eight; Charles J. Mitchelet, Jr., two; J. L. Markham, six; John C. Marshall, two; Macy Nicholson, four; Fred C. Rice, four; Mrs. Lucille Richardson, five; H. J. Thurber, three; Genevieve E. Teuton, six; George Norgren, two; (Continued on Page 9)
