

**Lee Says:**

HERE on our desk at the STORE is a telephone over WHICH we can talk to anyone WE CARE TO REACH; we have A CAR at home and we can GO FARTHER in it in one HOUR than father could GO in a day; we get OUR daily papers and HAVE the news hot off THE wires; our children ARE being given an EDUCATION right here IN WINNETKA that COULDN'T have been PURCHASED with a king's RANSOM a hundred years AGO; then there are ALL the wonderful TOILET preparations MADE by Richard Hudnut HOUBIGANT, Coty and ELIZABETH ARDEN AND ALL the other COMFORTS that we have HERE at our store—and STILL some people are INCLINED to crab and THINK we're having a HARD time of it—let's FORGET it.

**Jacques Gordon Soloist at Skokie Next Sunday**

Something out of the usual run of violin programs is to be given by Jacques Gordon, concert master of the Chicago Symphony orchestra, at the second of the Skokie Country club summer musicales on Sunday, July 22, at 4:30 o'clock. Mr. Gordon will be accompanied by Harold van Horne at the piano.

The numbers selected by Mr. Gordon are for the most part in a lighter vein and will lend themselves to the delightful informality of these musicales. The program follows:

- I
- Prelude e Allegro .....Pagnini-Kreisler
- Melodie ..... Gluck
- Waltz in E Minor .....Brahms-Gordon
- Contra Dance .....Beethoven
- II
- From the Rockies .....Samuel Gardner
- Mosquitoes .....Blair Fairchild
- Slow and Sentimental .....Leo Sowerby
- Caprice .....Glazounow-Gordon
- III
- Pavanne pour une Infante
- Defunte ..... Ravel
- Waves at Play .....Edwin Grasse
- La Pille au Cheveux de Lin .....Debussy
- Spanish Dance .....Joaquis Nis

The largest armory in the United States is that of the University of Illinois.

**Pass \$30 000 Mark, Shovels Excavating for Sears Addition**

Steam shovels began excavating on Monday morning for the new gymnasium and assembly hall at the Joseph Sears school in Kenilworth. Beginning of the construction work was made possible after the \$30,000 mark had been passed in the campaign for \$60,000 to cover the entire cost of the new addition to the school.

The school board of the village of Kenilworth at its regular meeting last week decided to let the contract for the shell of the building, including the foundation, the roof, and the interior steel work.

John K. Byrne is chairman of the committee which is raising subscriptions from Kenilworth citizens for the completion of the project. Contracts for the interior finishing work and the installation of equipment cannot be let until sufficient funds are raised.

Every effort is being made by the drive committee to collect the \$60,000 necessary for the completion of the new unit and the providing of adequate gymnasium and assembly hall facilities for the children of Kenilworth as soon as possible.

Winnetka residents who have already contributed to the Joseph Sears school assembly hall-gymnasium fund are: William B. Baggaley, G. I. Bell, S. H. Bornhart, Neil M. Clark, R. O. Dunhill, Howard Ehrlick, Mrs. E. Fisher, Frank G. Fulton, W. Franklin, Craig P. Hazelton, Grover M. Herman, R. O. Johnson, Andrew Kuby, A. H. Kudner, N. J. Keil, Mrs. R. O. Law, Liebschultz Bros., Max MacGraw, J. H. Mathison, L. J. Phillips, H. W. Post, E. G. Shaffner, Mrs. C. P. Skillin, C. Russel Small, and John S. Wittbold.
