**WINNETKA NINE TAKES
DEFEAT FIVE TO ONE****Highly Touted Local Diamond-deers Fall Before Onslaught of North Chicago's Champs**

Winnetka's highly touted diamond-deers fell before the onslaught of North Chicago's Lake County Champions last Sunday, by a score of 5 to 1.

George Panosh, who has hung up a commendable record thus far this season, was not the Panosh of old, for he walked eight men, allowed ten hits, and only struck out six men. He is accustomed to striking out just twice that number.

Combined with this ineffective pitching, certain members of the local infield also took the opportunity to play ragged ball.

Frankie Schultz, who had been playing short stop in the Nebraska State league all week, arrived in Winnetka just in time to don a uniform and get into the game.

North Chicago presented a strong team, but the locals have defeated better, this year.

Winnetka gathered their lone marker in the fifth on a two-base hit by Bill Carey and a similar blow by Johnnie Jacobs.

Farewell, George

George Panosh, who has been doing some excellent mound work for the locals this year, has been called home unexpectedly. He left immediately after the game Sunday for Manitowoc. During his absence from the local diamond, Jack Slattery, a husky lad from Chicago, will take up the mound duties. Jack twirled the last two innings of last Sunday's game and let the North Chicago Champs down without a hit.

Northbrook, Sunday

Next Sunday Northbrook will travel to Winnetka for their annual tilt. To date Northbrook holds a one game advantage over the locals. Two seasons ago Northbrook copped a double header from Winnetka. Last year, however, Winnetka made amends for the double licking and smote the visitors from the Northwest by a score of 10 to 2.

Northbrook, this year, lost to Wilmette earlier in the year by a narrow margin, and to this date have been brandishing an excellent brand of baseball.

The game will be played at the Skokie Playfield, Sunday at 3 o'clock.

Mr. and Mrs. R. I. Darby and daughter, Dorothy, of 509 Elder lane, returned recently from a six weeks' trip to the Canadian Rockies and the Pacific coast.
