

Sings at Benefit

Anne Kanter, lyric soprano, will be one of the soloists at the garden party and musicale the North Shore Congregation Sisterhood will give on August 15, at Bornleigh, the home of Mrs. Moses Born, 955 Sheridan road, Glencoe. Miss Kanter is an artist-pupil of George H. Shapiro, operatic coach and composer of songs.

Critics say that she has a crystal-clear soprano voice, beautifully trained, with a very large range. Miss Kanter has poise and self confidence and a splendid stage presence. Her voice is particularly suited to German lieder and to the modern Russian songs. She will sing a group of original compositions by Mr. Shapiro, songs which are said to be especially interesting for their Jewish and oriental coloring. They are modern in spirit and Miss Kanter sings them with fine understanding.

Peppy Children Produce Vaudeville Acts Saturday

Even though the grown-ups of Winnetka whose ambitions are slightly dramatic have let up for a summer recess, the youngsters in the 600 block on Provident avenue have proven most active in the art. Last Saturday morning in the gym on the "really big stage" Sidney and Julia Craig, Jane Crilly, Jane Kasner, Dorothy Straus, and other neighborhood youngsters under the direction and management of Sidney Craig, assisted by Jane Crilly, put on a show.

They presented fancy solo dances in costume, acrobatic stunts, an interesting little play in which all the youngsters took part. The tickets of admission, costumes, and announcements were all made by the children themselves.

A small victrola, run by Sidney Craig, produced the music for the dance numbers. The affair was well rehearsed as the youngsters worked on it for many days.

Miss Mary Garretson, 561 Lincoln avenue, leaves today for a month's vacation which she will spend with her sister, Miss Elsie Garretson of Burlington, Iowa.
