

ABE ESPINOSA WINS WESTERN OPEN CROWN

Farrell Spurts to Take Second Honors From Al Espinosa in Final Round of Play

In a field which included practically all the stars of the western country and in addition the national open champion, North Shore golfers covered themselves with glory. The story of this glory is the story of the Western Open championship which was held at the North Shore Golf club on Glenview road, but the really brilliant paragraphs make the name Espinosa stand out boldly.

Farrell Is Second

Abe Espinosa, who is professional at the Columbian Club, one of our north shore clubs, was the winner. He won by three strokes, his score being 291 for the double round. Brother Al, who is professional at Illinois G. C., finished third with 295 while in between the two brothers finished Johnny Farrell of the Quaker Ridge club of New York, who is the national open champion, with 294.

First and third in a championship event is a wonderful achievement for the Espinosa brothers. Abe picked out the lead in the first two rounds and hung gamely to it to the finish. Brother Al, up to the final round threatened to win or at least be runner-up, but in the final round, started to toss away strokes and Farrell, the man who beat the famous Bobby Jones for the National open championship, came along with a spurt which landed him in second place.

Hutchison Finishes Tenth

Jock Hutchison of Glenview wasn't playing at his best, but at that finished in tenth place.

Scores of the north shore players were as follows:—

Abe Espinosa, Columbian	143	148	291
Al Espinosa, Illinois	150	144	295
Jock Hutchison, Glenview	149	153	302
J. P. Rouse, Mundelein	155	152	307
Laurie Ayton, Evanston	155	154	309
Dave Tosh, Sunset Ridge	158	155	313
Walter Kennett	150	166	316
W. Cameron, Illinois	156	163	319

Police Warn Villagers of Bogus Photo Deals

Winnetka police reported this week the operations of bogus picture-enlarging salesmen who employ the old scheme of taking an order for picture enlargement at a given price and then refuse to deliver the work or return the photograph. In many instances the pictures are highly prized possessions and are returned only upon payment of an exorbitant sum.
