

Barrington Flower Show Open to Any Exhibitor

The Garden club of Barrington announces its third annual flower show Tuesday and Wednesday, August 7 and 8, at Oak Knolls, the home of Mr. and Mrs. James R. Caldwell overlooking the Barrington Hills Country club. The show will be open from noon until 8 o'clock both days, and is open to any garden club or individual, with the exception of classes 7 and 8 showing window boxes, colonial bouquets, dinner tables, garden tea tables, and transparencies.

There are to be ten classes, the first including arrangements of cut flowers; second, the displays of annuals and perennials and flowering shrubs; third, flower perfection; fourth, twelve or more varieties of gladioli and six varieties of phlox, roses and dahlias; fifth, varieties of wild flowers; sixth, vegetable collection and perfection of vegetables; ninth, children's classes, with arrangements of garden and of wild flowers; tenth, potted plants. Entries must be in the Friday before the show. Information may be secured from Mrs. Homer Horton, Glencoe 783.

During the flower show the gardens of Mr. and Mrs. James E. MacMurray, Mr. and Mrs. H. Stillson Hart, and Mr. and Mrs. Frank A. Hecht, Jr. will be open to visitors. A committee of the flower show will direct visitors to the various estates.

Another committee has arranged to serve luncheon at small tables placed on the lawn of Oak Knolls, under the trees.

AGAIN TO SING AT SKOKIE

Miss Lorna Doone Jaxon, soprano of the Chicago Civic Opera company, will give the program at the next Skokie Country club musicale, which will be Sunday afternoon, August 12, at 4:30 o'clock. Miss Jaxon will be remembered for the delightful program she gave at the club last year.

Christian Science Churches

"Love" was the subject of the lesson-sermon in all Churches of Christ, Scientist, Sunday, July 29.

The Golden Text was from I John 4:16, "We have known and believed the love that God hath to us. God is love; and he that dwelleth in love dwelleth in God, and God in him."

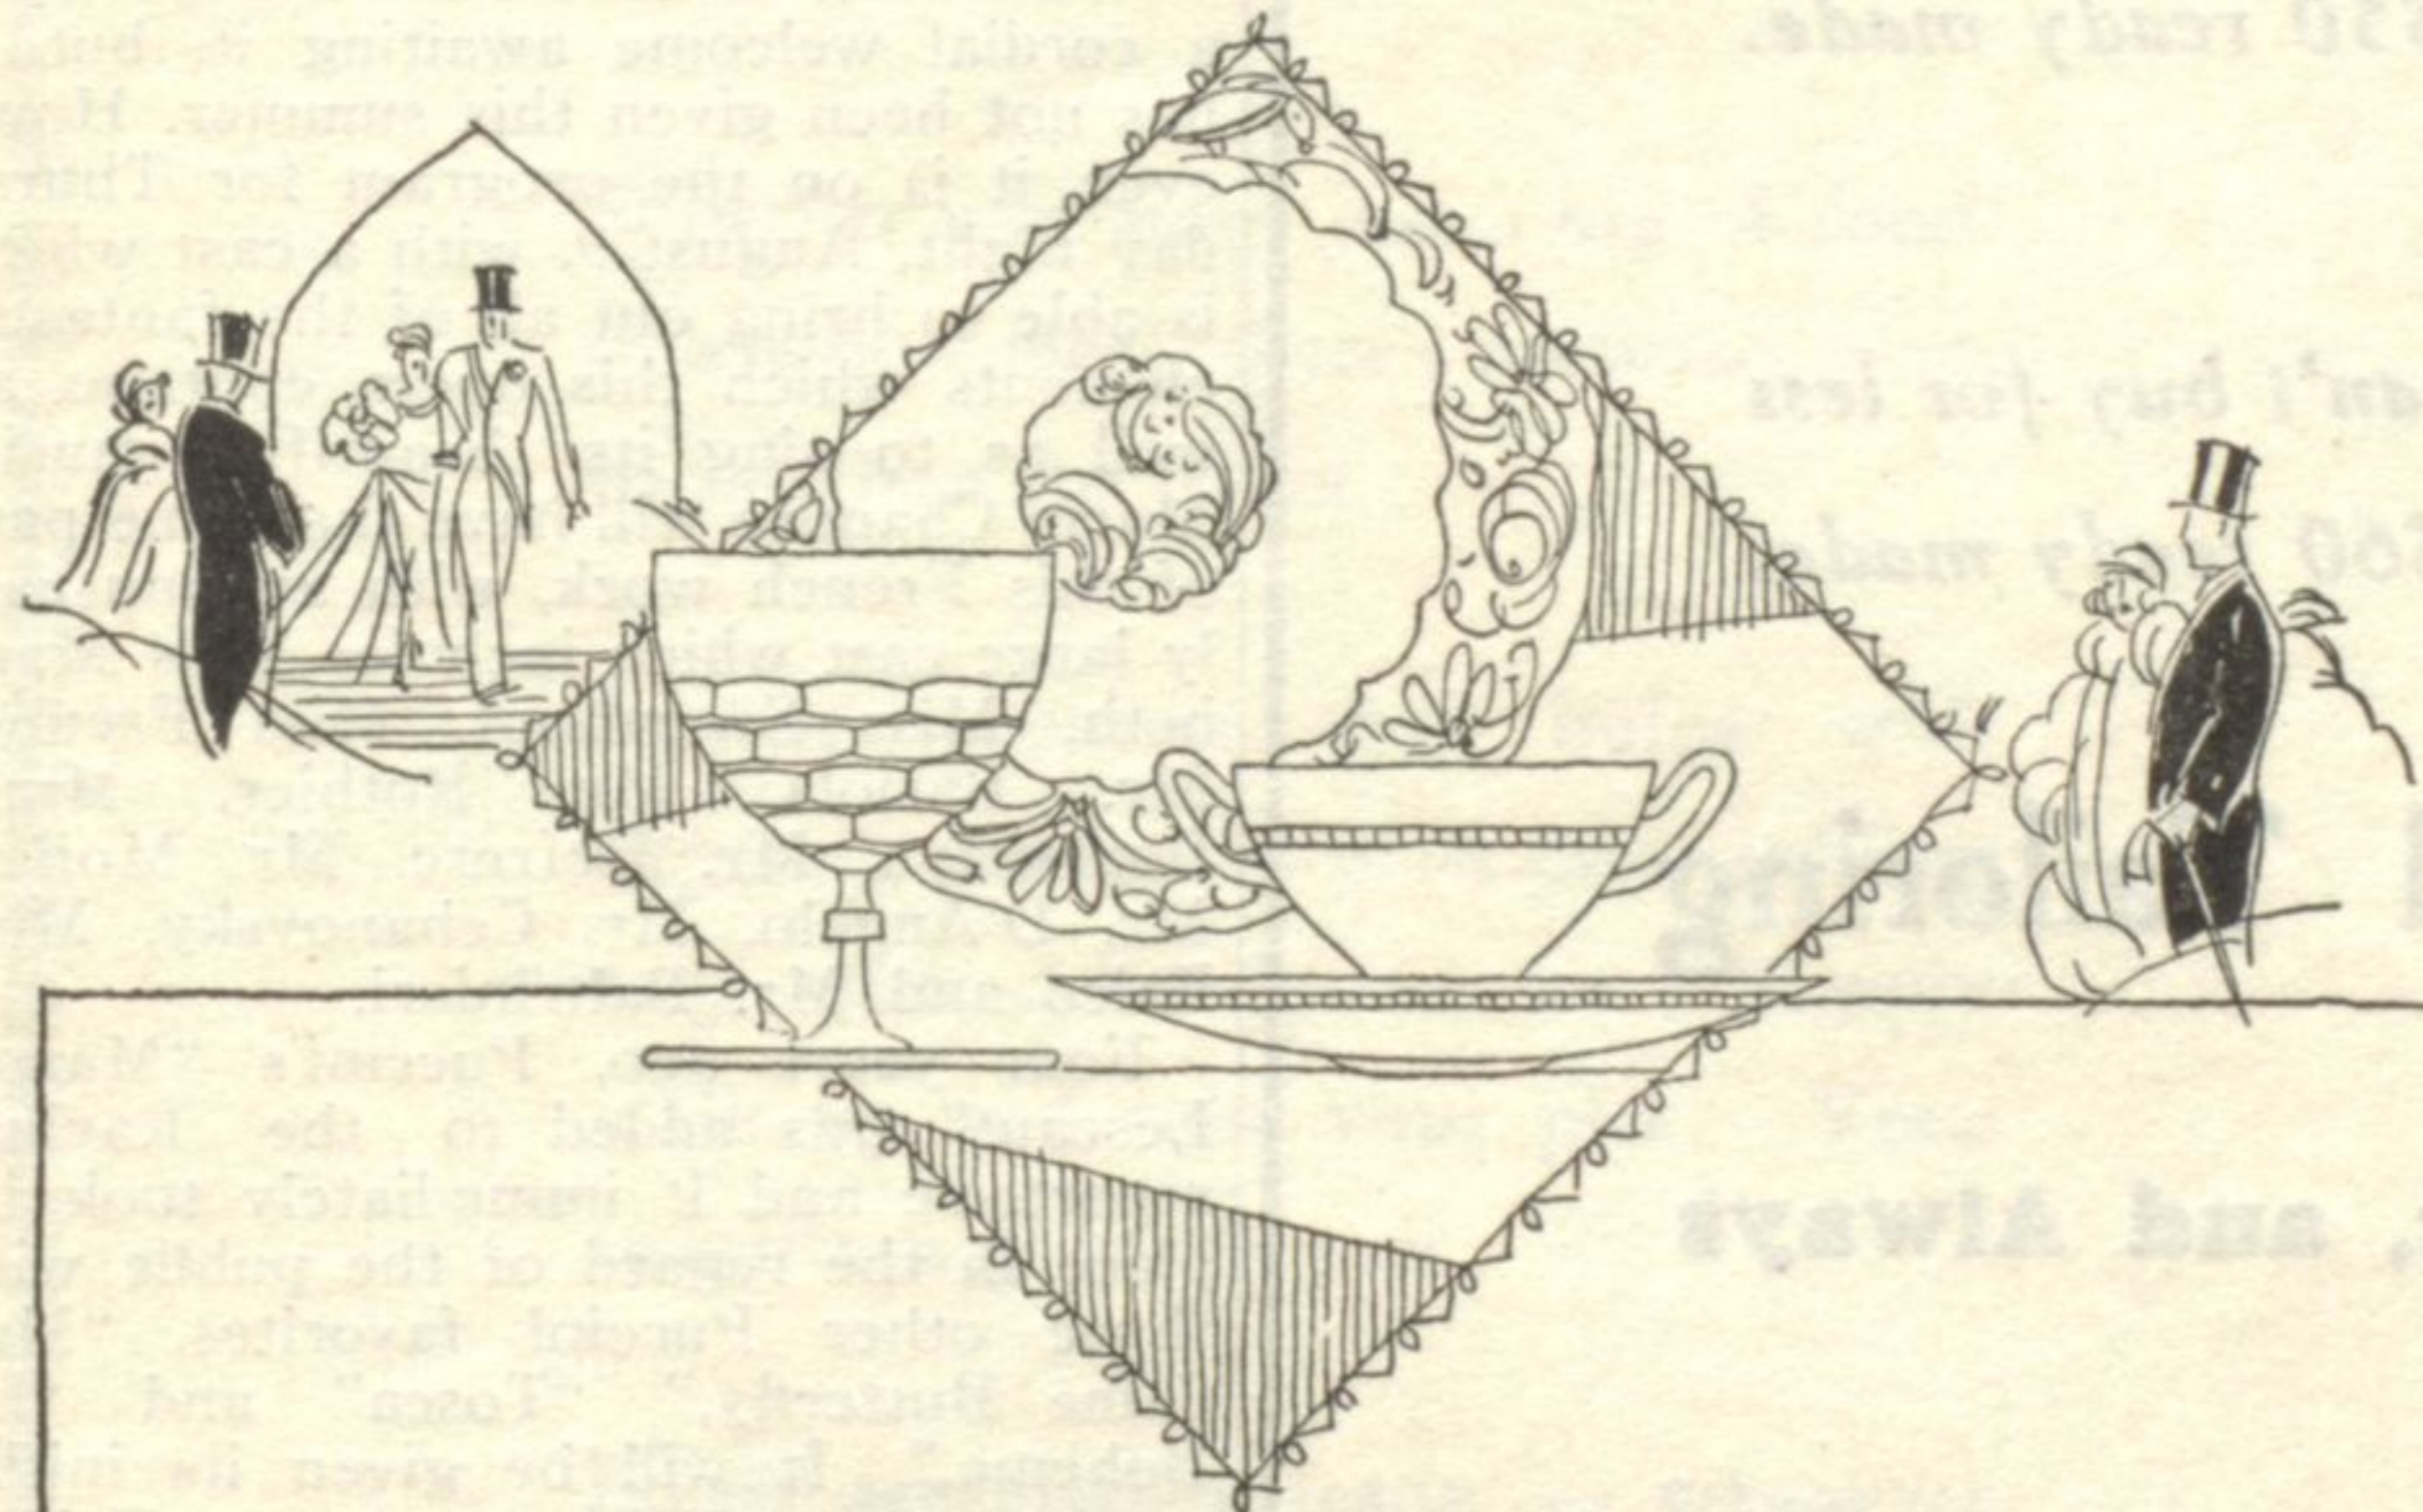

Among the citations which comprised the lesson-sermon was the following from the Bible: "And there came a leper to him, beseeching him, and kneeling down to him, and saying unto him, If thou wilt, thou canst make me clean. And Jesus, moved with compassion, put forth his hand, and touched him, and saith unto him, I will; be thou clean. And as soon as he had spoken, immediately the leprosy departed from him, and he was cleansed" (Mark 1:40-42).

The lesson-sermon also included the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Love for God and man is the true incentive in both healing and teaching. Love inspires, illumines, designates, and leads the way" (p. 454).

A BOHN REFRIGERATOR

or just an "ice box"
which will you use this Summer?

Will your food have the proper protection against hot weather, or are you "making do" with an icebox which is a constant menace to your whole family's health?

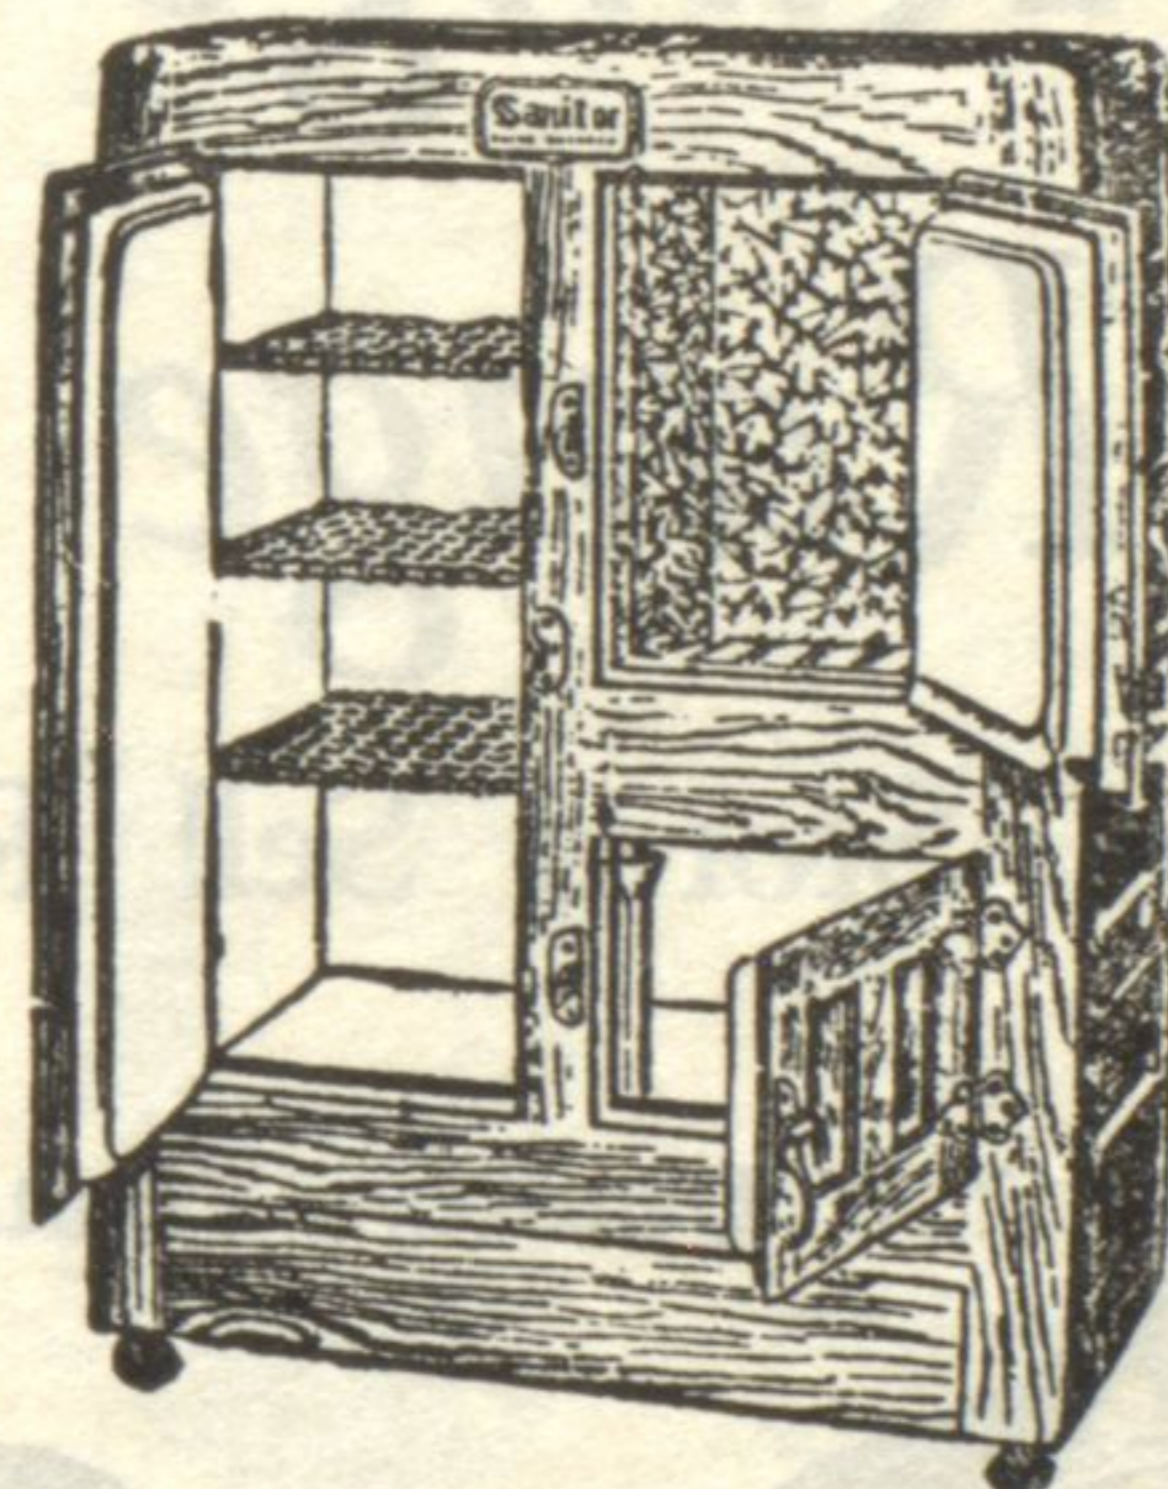

The Bohn organization knows that health depends largely on proper foods and that delicacies spoil quickly in heated kitchens. In ordinary cold storage refrigerators, where air is stale and unchanging, foods cannot be properly kept.

Why not be sure of adequate refrigeration this summer by selecting a Bohn Refrigerator with a nation-wide reputation for dependability and service.
