# A Service That Pays For Itself

**R**ECORDED ALEMITE SERVICE costs no more than you now pay for ordinary greasing service, so why not have it? What's more, genuine Alemite-ing pays for itself many times over with what it saves.

It's not what you pay for gasoline, for oil, or for tires that runs up operating costs. It's repairs! Ask any garage man and he will tell you that 80% of automobile repairs are due to faulty or neglected lubrication.
