

Woodlawn Colts Easy for Local Ball Crashers

Winnetka's ball team chalked up its fifth straight victory last Sunday when the locals slugged out a 13 to 3 win over the Woodlawn Colts. After the first inning it was just a matter of how large a score the locals would pile up for the Colts were not in the same class as Winnetka. The game, however, put the local batters in trim for their stiff battle with Glencoe at the Playfield tomorrow.

In the first inning Johnnie Lindholm, who has been playing a marvelous game for the locals lately, drew a walk, and when the catcher threw wildly to the pitcher on his return throw, Johnnie, by some heady base running, reached third. He scored a moment later on "Solly" Holleb's sacrifice fly. In the second, Winnetka batted around, scoring six runs on five hits and two errors. Not contented with the seven run lead, the home crew added one in each of the next two innings and gathered a cluster of three in the fifth. The scoring was concluded in the seventh when the locals picked up another run.

The wild Colts from Woodlawn were very tame when facing Winnetka's hurler, "Lefty" Mills, and as a result they were harnessed easily. They managed to get a run in the fifth, sixth, and seventh innings, but by that time the Winnetka athletes had things pretty well under cover.

The game proved to be a disappointment to many of the fans who turned out to see the boys battle against a strong team. After trimming Glencoe the Sunday before, by a very close margin, this game was quite a let up. To get back into condition, Winnetka took on the strong Hollen A. C. team at Welles Park

Thursday evening in a twilight game, and they now feel that they can defeat the strong Glencoe outfit and garner the first leg of the Hirschberg trophy which is given to the championship team of New Trier township. To date Winnetka is leading the league with a victory over Glencoe. Glencoe is in second place, having defeated Wilmette twice and lost one to Winnetka. Wilmette is third with two defeats and no wins.

Next Sunday, as has been previously stated, Glencoe will appear at the Playfield diamond. Those fans who witnessed the last two games between these two teams will assure anyone who is in doubt that a real treat is in store for them in the way of a good baseball game. All the residents are urged to attend these championship games and help the Winnetka boys bring home the cup. Tomorrow, at the Playfield, at 3 o'clock.

Water Softener Latest Acquisition at Laundry

Water as soft and pure as that taken from rainbarrels in olden days by the housewives with which to do the family washing, is also used by Nelson Brothers North Shore Laundry, 566 Chestnut street, Winnetka, as a result of the recent installation of a Zeolite water softening plant.

The plant is installed at the intake pipe through which all water used in the laundry work passes and is treated.

Its installation is in keeping with the motto of the laundry, Mr. Nelson explained. In other words, "When better methods are known for doing your family laundry, we will use them," and this is one of the latest, it is explained.

The new water softener plant has a capacity of 46,000 gallons every ten hours, making the soft water zero hardness as determined by soap test. There is no free alkali or acid added

to the water as it passes through the softener; the soft water, when used for boiler feed or cooling purposes, will not form scale, sludge or mud in the boiler or cooling jacket.

Mary Phyllis Barber, daughter of Mr. and Mrs. Albert Barber, Evelyn Calkins, daughter of Mr. and Mrs. George B. Calkins, Mary Lou Laird, daughter of Mr. and Mrs. Robert S. Laird and Mary Sands, daughter of Mrs. Frances B. Sands, are the Winnetka girls who are spending their vacations at Camp Quinbeck on Lake Fairlee, Vt.

Miss Suzanne and Miss Cynthia Kohlsaat and their brother, Edward, of 777 Bryant avenue are leaving August 18, for Louisville, Ky., to spend a week visiting Miss Virginia Harbaugh and Miss Alice Humphrey.

MOTORS IN EAST

Prof. Gordon Van Kirk, New Trier High school instructor, is taking a motor trip to Cleveland, Pittsburgh, Washington, D. C., and other eastern cities.

FLOWERS GIVE DELIGHT
Keep a few vases filled with our choice flowers in the rooms of your home in which you spend the most time and they will give pleasure whenever your gaze falls upon them. Our blossoms are cut fresh every day and with care they will last for many days. Visit our flower shop and select a bouquet composed of the blooms you love best.
