RETURNS TO HOME

Mrs. Henry A. Yates, 96 Church road, has returned from St. Luke's hospital where she recently underwent a very serious operation. She is now convalescing very nicely at her home. Miss Margaret Yates, her daughter, is attending Pinewood Camp for her third summer at the same camp. At the close of the season she will go to visit her grandmother, Mrs. George W. Chatterton at Wequetonsing, Mich., and will be home early in September.

A salt plant near Equality was one of the first industries in Illinois.

Oliver Picher, son of Mr. and Mrs. O. S. Picher of 131 Sheridan road, and Charles Merrill of Hubbard Woods have been in Honolulu for some time this summer. They will return to this country in a short time and will go to the Merrill ranch near Estes Park where they will be until the middle of the fall.

Mrs. James Patten McCormick and son, Allen, of Edmonton, Alberta, Canada, are visiting Mrs. McCormick's sister, Mrs. Willis S. Hilpert, 455 Chestnut street.

**Fortify Winnetka
Baseball Club for
Pennant Contests**

With the addition of "Al" Izard and George "Lefty" Mills to the local baseball team, chances for the Hirschberg trophy are exceptionally bright.

"Al" Izard, next year's captain-elect of the Northwestern university baseball team, plays third base, and comes to the local club touted as an exceptionally brilliant player. Third base was formerly held by "Frankie" Schultz. "Frankie" however signed a contract to play in the Nebraska State league and left town to fulfill his new contract.

"Lefty" Mills, former pitcher for the same institution, comes to Winnetka because of the departure of George Panosh. Panosh left for his home in Manitowoc, Wis., not long ago so Mills was substituted to fill his place. "Lefty" has turned in some good performances for the locals handling the strong Glencoe team a 6 to 5 defeat, and defeating the Woodlawn Colts by a 13 to 3 margin.

Mr. and Mrs. Joseph E. McClure and their family have moved to Winnetka. They have taken the Stoddard home at 582 Provident avenue. The Stoddards have moved east.
