

### Hoover and State G. O. P. Ticket Win Editors' Support

Harmony and a spirit of enthusiastic co-operation, together with rosy predictions of victory for Herbert Hoover and the entire state ticket in Illinois in November led by Louis L. Emmerson, nominee for Governor, were the interesting features of a luncheon and reception tendered 300 Republican newspaper editors of the state by the Republican State Central committee of Illinois at the Hotel LaSalle, Chicago, Saturday, August 4.

It was an old-fashioned political lovefeast at which plans for the campaign were discussed and old friendships renewed.

An informal inquiry disclosed the fact that every Republican newspaper in the state is supporting Hoover and the entire State ticket and that many of the independent papers are for the Republican nominees in the present campaign.

William W. Loomis of La Grange, president of the Illinois Press association, presided at the luncheon.

Among those seated at the Speakers' Table were:

Louis L. Emmerson, nominee for Governor; Otis F. Glenn, nominee for United States senator; Fred E. Sterling, nominee for Lieutenant Governor; Oscar Nelson, nominee for State Auditor; Omer N. Custer, nominee for State Treasurer; William J. Stratton, nominee for Secretary of State; Congressman William E. Hull of Illinois; Congressman Dickinson of Iowa and John H. Harrison of Danville.

Telegrams were read from Oscar E. Carlstrom, nominee for Attorney-General; Ruth Hanna McCormick and Richard Yatts, nominees for Congressman-at-Large, who expressed regret at their inability to attend because of previous engagements.

"I do not think that the farmers are willing to intrust the solution of the agricultural problem to Tammany Hall, which evidently believes that corn grows in cans instead of in a field," said Louis L. Emmerson.

"They will, I believe, prefer to have this great question studied and settled finally by that great economist, Herbert Hoover, who is superbly fitted for the task by education and experience. Nobody has a certain remedy for agricultural relief. The question may have to be solved by a series of experiments. The Republican Party may be relied upon to find a solution for this problem.

"We are facing an unusual campaign. Never before have both of the national party platforms been so much alike. There really is little difference between them."

"As editors, you are going to talk about the great history and achievements of the Republican Party and contrast it with the record of the Democratic Party. You are going to compare the personalities, records and fitness of the two candidates for the high office of President.

"We are going to depend on the women to help win this fight and I know who they will be for. They will be for Herbert Hoover and the entire Republican State Ticket in Illinois."

### Strong Hollens Team Breaks Winnetka's Winning Streak

The winning streak of the Winnetka baseball team was temporarily interrupted Thursday evening when they traveled to Welles park, Chicago, and took the short end of a 9 to 0 game.

The Hollens are perhaps the strongest semi-pro team in the Chicago mid-west league, and it is no surprise that the Winnetka team was defeated.

Carey and Izard were the only two athletes who could connect safely with the offerings of Dutch Blackburn, former big league twirler. Each connected only once.

The Hollens pounded Lefty Mills hard to score their nine runs.

Sunday the Winnetka club will renew its efforts for the Fairplay cup, when they engage the strong Glencoe nine at the Skokie Playfield. Starting time of the game is 3 o'clock.

Mrs. Brownell Tompkins of Morrisville, N. Y., has been visiting Mrs. N. Landon Hoyt of 535 Sheridan road, and Mrs. P. W. Bradstreet of 475 Cedar street.

Mr. and Mrs. W. M. Hoyt, Jr., and family are home from Vermillion, Minn., where they have been spending a month.
