

There are many things to do far more pleasant than doing or supervising the family wash. Sending the washing here means a "new day" a week.

## The Best Is True Economy

THE BEST you can get is the most inexpensive—someone said it many years ago; it has always been true.

And if you are buying landscaping experience, long and tried experience costs no more in the first place. But the results would still represent sensible economy if you had paid several times as much. After all, results are all that count.

Results—that is our by-word.

## Christian Science Churches

"Spirit" was the subject of the lesson-sermon in all Churches of Christ, Scientist, Sunday, August 5.

The golden text was from Psalms 143:10, "Teach me to do thy will; for thou art my God: thy spirit is good; lead me into the land of uprightness."

Among the citations which comprised the lesson-sermon was the following from the Bible: "To whom then will ye liken me, or shall I be equal? saith the Holy One. Lift up your eyes on high, and behold who hath created these things, that bringeth out their host by number: he calleth them all by names by the greatness of his might, for that he is strong in power; not one faileth" (Isaiah 40:25, 26).

The lesson-sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Spirit being God, there is but one spirit, for there can be but one infinite and therefore one God" (p. 334).

## End Summer Session at Kindergarten College

The summer session of the National Kindergarten and Elementary college closed Friday, August 3, at the end of an interesting six-weeks' term. The majority of students attending the summer session were experienced teachers and supervisors, interested in the work primarily for the purpose of keeping up-to-date on the constantly changing methods and emphasis in educational practice. A number of the students completed this summer the required course for the degree of Bachelor of Education, and others will receive the kindergarten-primary and kindergarten-elementary diplomas.

During the remainder of the summer Harrison hall, the college building, will be open daily from 9 to 5 o'clock (9 to 12 on Saturday) for visitors, prospective students or parents who wish to make inquiries in regard to the Children's school. Registration of new students for the fall session will be held September 14, the regular classes opening September 17 and the Children's school, September 19.

## PLAN FOOTBALL CAMP

Announcement was made this week of the annual football camp to be held at Kemper Military school September 3-10. More than sixty old and new candidates for the Yellow Jacket grid squad are included in the first group of invitations. Several north shore boys attend the school at Boonville, Mo., and are expected to attend the football camp.

Mr. and Mrs. William J. Hough, 1024 Cherry street, have had as their guest this summer Mr. Hough's mother, Mrs. A. M. Hough of Toledo. Mrs. Hough will be here about two weeks longer.

SALE ENDS AUGUST 18

## Not the printer's mistake —just real shoe values

IN our last announcement prices for our August Sale were given as follows: Children's Shoes (8½ to 11), \$2.85; Junior Misses' Shoes (11½ to 2), \$3.65; Modern Miss Shoes (2½ to 8), \$4.85.\*

Thousands of North Shore people know that these prices are typical of our August Sale. But there were other who suspected either an error—or that we were "closing out" (!) who also came to investigate these unique values. And VALUE is what everyone found!

In fact, we were so "swamped" the first few days that the best apology we can make to those who were unable to receive attention is to ask that they return to share in this unusual economy event.

And while they last—Boys' and Girls' Socks at about half: 3 pairs for \$1.00, \$2.10 and \$2.55; Infants' Imported Summer Socks, 3 pairs for \$1.00.

\*Many styles, but not all sizes in each model. There are also special discounts on all our regular lines of footwear.
