

August Events Attract North Shore Women Golfers

Indian Hill Women Will Be Hostesses to Western Golfers

Easily the most exciting event that has happened in north shore women's golf for a long time is the twenty-sixth annual Women's Western championship tournament. The event will start next Monday at Indian Hill club with the qualifying round and will be ended Friday with the championship round.

A number of north shore women who are golf fans will be following in the galleries to give a little psychological support to their favorites. Among the women who will entertain for the out-of-town guests and contestants is Mrs. Pettit Watson of 900 Sunset road, Winnetka, who will give a tea on Tuesday afternoon.

At Skokie Country club, the Western Open day for women will be on August 24. A large number of guests are expected to be entered in that event which will be more of a local interest. Women from other clubs will be following their favorite "just above par" player on that day.

Skokie women members will have their own little contest for the club championship which will be played the first week of September. The qualifying round will be played on Friday, August 31. A pleasant event played by most of the clubs is the mixed foursome. One was held at Skokie on Thursday and the second one for the month is planned for Thursday, August 23. Sometimes the husbands and wives agree to disagree on the playing of their shots, but the mixed foursomes are usually good fun for everyone.

The new Dundee club is of particular interest to the women since it is a club for the women alone, no men admitted, thank you. The president, Mrs. Charles A. Klotz has been called to California, so Mrs. Pettit Watson, vice-president and chairman of the membership committee, is ably filling her place for the time being. Ground for the clubhouse out near Barrington will be broken the last of this month, and a picnic for the members is being planned for the first of August. The charter membership of the club has been filled with women from all over this country as well as with many north shore women. The board, in its meeting held regularly every ten days, considers additional memberships.

Sunset Ridge members are playing every Tuesday, their day for the women, for the Dave Tosh trophy. The best three out of four Tuesday score will be submitted in the competition. Last Thursday the annual play for the Sunset Ridge trophy brought out the husbands and wives in mixed twosomes. The next guest day for the club will be August 21.

The Wilmette Golf club women played last Tuesday to qualify for the August trophy. The first round will be played August 22, the semi-finals on August 23, and the finals on August 24. This will be followed on August 24 by a luncheon, bridge, and partner day, which, one may suppose will combine condolences and congratulations with explanations of how she did it. The guest day for August will fall on Tuesday, August 28.

Mrs. Halsey D. G. White of 681 Lincoln avenue, has as guests Contessa di Nogarole Bevilacqua (Mrs. Charles M. Meehan) of Verona, Italy, Miss A. C. Sherwood and Mrs. E. E. Dickinson. There will be many parties given for the guests during their stay here.

Palmists, Mosquitoes Are Plentiful at Garden Fete

The fortune tellers and palm readers were out in full force Thursday night, August 2, at the garden fete at the home of Mrs. Minna Schmidt, 2715 Sheridan road, Evanston. The party was a benefit given by the North End branch of the Friends of the Chicago Junior school.

The fortune tellers, had they been less sympathetic, might have told almost anyone that she was of nervous temperament and restless, but the fortune tellers too were stung by the swarms of mosquitoes that threatened to ruin the party. Even the handfuls of punk burning about the garden could not chase this horde away.

The party was a success, however, for by 9 o'clock almost everyone had patronized the cigaret girls, bought balloons, taken a ride on the little railway operated by Bruce Carns, or purchased tickets for the many other attractions about the place. After dinner time, bridge was played on the lovely screened verandah of the house and the orchestra, perched on top of the boat house, played for the dancers on the beach walk.

The committee for the fete was headed by Mrs. Emma F. Stross who was general committee chairman. Her sub-chairmen included Mrs. Edgar Foster Alden of Winnetka, Mrs. J. R. Wolfenden, Mrs. Russell Gross, Mrs. George Karnes, Mrs. W. L. Harrison, Mrs. Arthur Schwarz, Mrs. M. W. Xabel, and Mrs. Maud Carleton.

Miss Knode was graduated from Westover in 1927 and will return immediately after her debut to Wellesley college where she will enter her sophomore year. A dinner-dance is planned for Miss Knode by her parents, who have set the date as Dec. 27 and the place as the Blackstone hotel.

Miss MacLeish and Miss Knode gave a bridge-luncheon Thursday afternoon at Skokie Country club. A progressive dinner has been planned for next Saturday in which the first course will be given at the home of Miss Elizabeth Warren, the second will be eaten at Miss Knode's home, and the dinner will be finished at "Birken Craig," the home of Miss MacLeish. Dancing will follow the dinner at Skokie Country club.

North Shore Israel Sisterhood to Give Musicales in Garden

The Sisterhood of the North Shore Congregation Israel will give a garden party and musicale at 3 o'clock next Wednesday afternoon, August 15, at the home of Mrs. Moses Born, 955 Sheridan road, Glencoe. Three prominent artists have been engaged for the afternoon program. Miss Anne Kanter, soprano, will sing a group of songs by her teacher, George H. Shapiro, operatic coach and composer of songs, and she will be accompanied at the piano by Mr. Shapiro. Miss Kanter is said to be especially fitted to sing these modern oriental compositions of Jewish origin.

Helen Burnett Koch, pianist, has included modern compositions in the group she will give. She is well known for her interpretation of Gershwin's famous "Rhapsody in Blue," and will play her own piano version of it. She has appeared with the St. Louis Symphony orchestra and in concert in New York City, where she has been enthusiastically received. Her technique is brilliant, and she has great power for so young a pianist. Mrs. Koch is also a composer of note, one of her songs, "Forever More," being well known to music students.

Frances Allis, an American danseuse, will give two dances. She has had her training under the guidance of Adolph Bohm, the Russian master. She has studied Russian ballet and character dancing under Madam Shadurskaya of the Imperial Russian ballet, and has appeared in solo work with her ballet and also with Bohm's ballet in connection with the Allied Arts. Miss Allis has distinguished herself in her work before the American public. The program on Wednesday will be as follows:

"I Would Live in Your Love"	Shapiro
"Braune Augen"	Shapiro
Aria, "Pace, Pace" from "The Force of Destiny"	Verdi

The musicale is open to the public, and tickets may be secured at the gate or from Mrs. Sylvan Hirschberg, of Glencoe.

Mrs. Bingham and her two children have spent the past month at Cape May and motored up to be with the Burrows for a week.

Mrs. L. H. Mettler of 119 Sheridan road entertained a number of her friends Thursday afternoon in her home. The gathering was for the purpose of sewing for the doll booth of which Mrs. William Ayres Hubbard will have charge at the annual Community House bazaar. While the friends were not members of the committee they contributed an afternoon's work to the cause.
