Rev. T. A. Goodwin in Farewell Sermon at Cong'l Church

The Rev. Thomas A. Goodwin will preach at the Winnetka Congregational church this Sunday morning, at 11 o'clock, on the subject "The Final Test of Religion." This will be Mr. Goodwin's last sermon before he leaves for Waukegan, where he has accepted a call to the Waukegan Congregational church.

The Goodwin family moved to Waukegan the first of this month and are now located at 1406 North Jackson street.

On Sunday, September 2, the Rev. Paul Hutchinson will preach, and on the following Sunday, September 9, the Rev. James Austin Richards will be back from his vacation in the east. At that time the September Communion and reception of members will be held. The communion is usually held on the first Sunday of the month, but was postponed on account of the absence of Reverend Richards.

You Playfield Golfers! Chance for Prize Sunday

The Winnetka Drug company, of which Holly P. Harris is president, will provide some entertainment for golfers at the Skokie Playfield Sunday, August 26. Mr. Harris is offering four prizes for his Winnetka friends to shoot at.

The course is in good shape as a result of the rain, and it is probable that a great many of the "big shots" will turn in their best scores of the year and make strong bids for either low gross or low net honors.

The tournament is to be an eighteen hole affair, with two prizes each in gross and net scores.

Begin Work Soon on New Section of Traffic Way

Another section of the proposed north shore through highway is soon to become a reality with the advertising for bids this week by the Wilmette Village board for the widening and paving of Main street from the south limits of the village to Elmwood avenue.

This section of the contemplated highway will eventually connect, on a direct line through Kenilworth, with Center street in Winnetka.

Main street is to be a 52-foot concrete highway. The Cook county highway department is to defray the cost of forty feet of the 52-foot roadway. The new pavement is to be completed within sixty days, it is estimated.

B. G. Eberles Join in Old Home Town Reunion

B. G. Eberle and family of 546 Provident avenue, Winnetka, spent last week at Huntington, Ind., Mrs. Eberle's girlhood home, where they visited relatives and attended the one hundredth anniversary and home-coming festivities of that thriving little city of 14,000 population.

GIVES SERMON ON PEACE

"Peace: A Spiritual Adventure" will be the subject of the sermon by the Rev. E. Ashley Gerhard, rector of Christ church, at the morning services tomorrow at 11 o'clock.

WINNETKA RETAINS SWIM RELAY CROWN

**Village Now in Permanent Possession of North Shore Trophy;
Carnival Big Thriller**

The seventh annual water carnival of the Winnetka Park district, twice postponed because of rough water, was held Sunday under the most favorable conditions conceivable from the standpoint of participants and spectators.

Two thousand villagers witnessed the events.

The Inter-village relay championship swim for the Winnetka Park district cup was won for the third successive year by a Winnetka team and the trophy now remains permanently in the village.

Retain Relay Trophy

This event, as in former Winnetka water carnivals, proved one of the outstanding features of the afternoon races. The winning Winnetka team was composed of Harold Lange, B. Dewar, Everett Chambers and Ed Lange.

The opposing team from Wilmette comprised Chuck Hoover, Jim Tencer, John Sheridan and Bill Holmes.

The personnel of the Glencoe team was John Lynn, Warren Burke, Jr., E. Enchelmayer, and Robert Clyne.

Entries of Winnetka boys and girls filled the several events scheduled on the program, in some instances to a point where it became necessary to run the races in two heats. This occurred in the fifteen-yard swim for girls, 8 to 10; the twenty-yard swim for boys, 10 to 12; the twenty-yard swim for girls, 10 to 12, and the forty-yard tub race, open to girls.

Keen Competition

There was close competition in all races. A tie for first place resulted in the twenty-yard swim for girls, 10 to 12, the swim off was a tie, and the judges awarded first prize medals to each of the two contestants for first place.

A similar situation resulted in the forty-yard tub race, open to girls, where the tie for third place was settled by awarding two third prize medals.

The duck race proved the most amusing event of the day, for all except the ducks. Even solemn Old Neptune must have chuckled as he observed the frantic efforts of the 150 boys and girls who plunged into the lake in their attempt to catch the two mallards when they were released, 150 yards out, by James Allen, Winnetka beachmaster, who was in charge of the carnival.

Both ducks were finally captured, the rules of the race providing that each fowl should become the property of its captor. Art Lamkey was the only one reporting his feat to the judges. The other winner's name was unrecorded.

Diving Contest Thrills

The exhibition diving brought out a galaxy of stars, who by their various stunts provided an added thrill to those found in the program of swimming events.

As each star diver did his stuff, his approach to the spring board was loudly megaphoned by Jim Allen, atop the life-guard perch.

"It's William Heyn coming up," Allen announced, "ten years ago national (Continued on page 8)
