

Tang of Autumn Air Wafts News of Grid Doings

Labor day will be here in another week and just a step beyond is the opening of the football season, for which Manager Bill Merrill, of the popular Black & White team of Winnetka, is already making preparations.

The play of the Black & White team last season attracted attention not alone on the north shore, but throughout the Chicago area from whence came continuous demands for engagements with this formidable collection of grid talent.

The squad lost only two games of an extended schedule last season, and the score in one of those setbacks was by the narrow margin of 7 to 6.

The line-up for the approaching season has not yet been determined, according to Manager Merrill.

"The north shore," he says, "is full of excellent football material, and many prospects already have expressed a desire to enroll with the Black & White entry.

Manager Merrill requests that all those who wish to play football attend a meeting which will be held at the office of the Black & White garage, 552 Lincoln avenue, Winnetka, Wednesday evening, September 5.

Leslie Carlson is captain of the eleven and Ernest Belmont, secretary.

Real Estate Boards Meet to Shoot Golf Tournament

North Shore Real Estate Board golfers got ambitious last week and stepped into a team battle with the player members of the Evanston Board at the Glencoe Community course. The result? "Well," as one North Shore player remarks, "Why bring that up?" But news is news and having to produce we learned that the score was 17 1-2 to 6-2. The winners for the North Shore Board were Andy Mouat, W. E. Bell and J. D. Austin. There's no necessity for mentioning the losers.

The North Shore boys aren't satisfied and there's going to be a return match in a couple of weeks.
