

FIFTH GRADE IS ADDED

N. K. E. C. Enlarges Children's School and Employs Another Teacher

Arrangements have been completed for the addition of the fifth grade to the Children's school of the National Kindergarten and Elementary college, which will open for the fall session Wednesday, Sept. 19.

Miss Edith Ford, B. A. Iowa State Teachers college, will direct the work of the fourth and fifth grades this year. Miss Ford has had wide experience in the public schools of Montana and has recently been teaching with marked success the fourth and fifth grades in the demonstration school of the Iowa State Teachers' college.

The Children's school, which opened two years ago with the nursery school, kindergarten and first three grades of the elementary school, is adding one grade each year, and with the opening of the sixth grade in the fall of 1929 will offer preparation for entrance to junior high school.

Other additions to the staff are Miss Nellie MacLennan, B. S. Teachers college, Columbia university, who will conduct courses in art in the college and teach some of the art classes in the children's school.

Miss Marian Case, B. A. University of Colorado, will direct the playground

When a Man must choose between two Ways. Hebr. 11, 24-27.

Meetings

Sunday, August 26 at 3:30: North Shore Zone of the Walther league will meet at Morton Grove.

After the services Sunday morning, August 26, there will be a short meeting of the members of the various societies within the congregation, the Ladies' Aid and Missionary, the Senior and Junior Walther leagues and the choirs. The members of these organizations will please take note.

Mr. and Mrs. Harry P. Clarke and children are at Lake Hamlin for the remainder of the summer. Mr. Clarke has just finished teaching at summer school at Harvard university.

activities for the older boys and girls. At the request of several parents, the school has added to the afternoon schedule an elective course in religious instruction for boys and girls, beginning with the second grade.

Not Bragging

Just a message of truth to Amateur Photographers

No matter what your experience has been in other establishments, we repeat and emphasize, you receive more intelligent attention and counsel in amateur photography in the Almer Coe stores than you do elsewhere.

Here the photographic men are technical, scientific and above all intensely interested and experienced in every phase of amateur photography.

If you are interested in Amateur Motion Picture Making—Kodacolor, still picture taking, or in simple or complicated problems of picture making, it would be much to your interest to consult with our people and learn at first hand of the superior service available to you in our stores.

The Almer Coe Stores for the past 32 years have been outstanding leaders in the amateur photographic field in Chicago, and are now one of the largest and most successful organizations of stores dealing in Kodaks and all other photographic instruments and supplies.
