### Earle B. Armil to Have Winnetka Piano Classes

Earle B. Armil who is the first assistant to Silvio Scionti, head of the piano department of the American Conservatory of Music, has decided to have classes in piano in Winnetka this season. He will be remembered by many people on the north shore as the pianist in the concert given last winter at a benefit tea at Mrs. Edgar Curley's in Winnetka. He has not selected his studio as yet.

Mr. and Mrs. Leon Ellis 207 Cumberland avenue, Kenilworth, and Mr. and Mrs. S. H. Clark, 135 Fuller lane, Winnetka, are leaving today for a fishing trip in northern Minnesota.

Mr. and Mrs. George W. Vaught of 511 Briar street, Kenilworth are being congratulated upon the birth of a son, August 4.

### Hartnett Horses Vie for Ribbons at Palatine Fair

John Hartnett of Winnetka, who claims to have the best string of jumpers this season that he has ever owned, has four of his prize winners entered in the twenty classes at the Palatine fair horse show this week where he expects to carry off some of the coveted blue ribbon awards.

The four Hartnett horses which have been assigned to this task are Great Scott, Wild Wave, Black Sand and Sure Put.

Great Scott, in addition to being the headliner in the jumping events, is also, according to Mr. Hartnett, one of the prettiest specimens he has ever surveyed, and this grace and beauty are qualities which have been admired along with his ability to jump.

In the Lake Forest events of July 20 and 21 where he met some of the best horses in the country, Great Scott proudly pranced away with three of the ribbons.

The Palatine fair opened Wednesday of this week and closes next Monday evening. The horse show opened Friday and closes Sunday night. Sunday night is the date of the Hunter Championship event which was won last year by Mr. Hartnett's Melwood, and in which his Gibson Girl took fourth.

### RCA's New Receivers and Loudspeakers Arrive

A new line of Radiolas including superheterodyne receivers utilizing AC radiotrons throughout, for simplified electric operation with self-enclosed loudspeakers of the improved dynamic type, and a new loudspeaker of artistic design, is announced by the Radio Corporation of America. Pointing out that "years of intensive research and constant development by the leading radio organizations have served to confirm the soundness of basic principles represented in the superheterodyne circuit," the announcement reads, "Now, with the application of AC tubes to the superheterodyne circuit, following the example set with the improved tuned radio-frequency circuit, broadcast reception takes another step forward towards the ultimate of perfection."

Milroy Music company, 569 Lincoln avenue, Winnetka and Alex Smith, 344 Park avenue, Glencoe, announce the new AC superheterodyne receivers are introduced in three models to be known as Radiola 60, a popular priced table model, Radiola 62, a console cabinet with enclosed dynamic speaker, and Radiola 64, a larger console cabinet with a dynamic speaker of greater power.

### RETURN FROM CANADA

Mr. and Mrs. Hobart P. Young of 708 Prospect avenue have returned from Canada where they went to get their sons, Hobert, Jr. and Chandler, who have been in Camp Manitoux, Ontario, for eight weeks. Other Winnetka boys who were at the same camp were William and Jess VanHorne, Lee Hooper, III, Bill Heyn, Harries Barber, Harold Wilder, Danny Killips, and Jimmy Hammond.

### MEN TO HOLD GARDEN SHOW

The Men's Garden club of Chicago and suburbs will hold its first combined flower and vegetable show September 7 and 8, at the Sherman hotel. All amateur gardeners in this district will be eligible to exhibit at the show. Among the active members on the north shore are Paul L. Battey of 453 Skokie road, Glencoe, and Postmaster Percy K. Armstrong of Glencoe.

Mr. and Mrs. Morris Levinson and her two children of 1064 Spruce street have returned from a motor trip around Lake Michigan.
